

VeriSign Reports 10% Year-Over-Year Revenue Growth in Third Quarter 2010

DULLES, VA, Oct 28, 2010 (MARKETWIRE via COMTEX News Network) -- VeriSign, Inc. (NASDAQ: VRSN), the trusted provider of Internet infrastructure services for the networked world, today reported financial results for the third quarter ended September 30, 2010.

Third Quarter GAAP Financial Results

VeriSign, Inc. and subsidiaries ("VeriSign") reported revenue of \$173 million from continuing operations for the third quarter of 2010, up 2% from the prior quarter and up 10% from the same quarter in 2009. Continuing operations consist primarily of the results of the Naming Services business which is comprised of Registry Services and Network Intelligence and Availability (NIA) Services. NIA Services include the Managed Domain Name System (Managed DNS), iDefense and Distributed Denial of Service (DDoS) mitigation businesses. VeriSign reported net income attributable to VeriSign, Inc. stockholders of \$785 million and earnings per share attributable to VeriSign, Inc. stockholders of \$737 million, net of tax of \$244 million, on the sale of the Authentication Services business. This compared to net income attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc. stockholders of \$54 million and earnings per share attributable to VeriSign, Inc.

VeriSign reported segment revenue for Naming Services of \$172 million for the third quarter of 2010, up 3% from the prior quarter and up 11% from the same quarter in 2009.

Third Quarter Non-GAAP Financial Results

VeriSign reported net income attributable to VeriSign, Inc. stockholders of \$48 million and earnings per share attributable to VeriSign, Inc. stockholders of \$0.27 on a diluted basis for the third quarter of 2010, compared to net income attributable to VeriSign, Inc. stockholders of \$32 million and earnings per share attributable to VeriSign, Inc. stockholders of \$32 million and earnings per share attributable to VeriSign, Inc. stockholders of \$0.16 on a diluted basis in the same quarter in 2009. The operating margin was 43.1% for the third quarter of 2010 compared to 33.7% for the same quarter in 2009. A table reconciling the GAAP to the non-GAAP results (which excludes items described below) is appended to this release.

"We are pleased with the third quarter results and the continued rebounding of Internet trends that impact our business," said Mark McLaughlin, president and chief executive officer of VeriSign. "Our focus as we look forward is to continue to provide an essential and unparalleled service and to leverage our expertise in running a highly complex network to create new opportunities."

"The transition following the close of the sale of our Authentication Services business is on track," said Brian Robins, chief financial officer of VeriSign. "Our continued operating discipline allows us to optimize our cost structure while supporting topline growth opportunities for the company."

Financial Highlights

- -- On August 9, 2010, VeriSign sold its Authentication Services business for cash consideration of approximately \$1.14 billion, net of cash held by transferred subsidiaries of \$127.5 million and transaction costs of \$10.8 million, subject to definitive adjustment to reflect the actual working capital balance as of the closing date.
- -- VeriSign ended the third quarter with Cash, Cash Equivalents, Marketable Securities and Restricted Cash of \$2.55 billion, an increase of \$1.21 billion from the prior quarter and an increase of \$1.12 billion from the same quarter in 2009.
- -- In the third quarter, VeriSign repurchased 5.1 million shares of its common stock for a cost of \$146 million.
- -- Cash used in operating activities, on a consolidated basis, was \$82 million for the third quarter due to taxes owed on the sale of

Authentication Services. Excess tax benefits of \$155 million that are associated with stock-based compensation were classified as financing cash flows.

- -- Deferred revenue on September 30, 2010 totaled \$654 million, an increase of \$13 million from the prior quarter and \$74 million from the same quarter in 2009.
- -- Capital expenditures, on a consolidated basis, were \$26 million in the third quarter and \$69 million year-to-date, approximately 22% of which was related to the Authentication Services business in 2010 prior to its sale.

Business and Corporate Highlights

- -- VeriSign Registry Services ended the quarter with approximately 103.5 million active domain names in the adjusted zone for .com and .net, representing a 9% increase year-over-year.
- -- In the third quarter, VeriSign added 7.5 million new domain name registrations, representing a 7% increase year-over-year.
- -- VeriSign experienced an average daily query load of 66 billion in the quarter, compared to 63 billion in the prior quarter and 54 billion in the same quarter in 2009.
- -- VeriSign ended the third quarter of 2010 with approximately 1,100 employees, compared to 2,225 employees at the end of the prior quarter before the close of the sale of Authentication Services.
- -- In September, VeriSign signed a lease for an office building located in Reston, Virginia, that will commence in mid-2011 and will serve as company headquarters.

Non-GAAP Items

Non-GAAP financial results exclude the following items that are included under GAAP: discontinued operations, results of Other Services, stock-based compensation, amortization of other intangible assets, impairments of goodwill and other intangible assets, restructuring costs and non-cash interest expense. Non-GAAP financial information is also adjusted for a 30% tax rate which differs from the GAAP tax rate. A table reconciling the GAAP to non-GAAP net income is appended to this release. All non-GAAP figures for each period presented herein have been conformed to exclude the foregoing items under GAAP. Prior disclosures of non-GAAP figures do not exclude the same items and as such should not be used for comparison purposes.

Statements in this announcement other than historical data and information constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 as amended and Section 21E of the Securities Exchange Act of 1934 as amended. These statements involve risks and uncertainties that could cause VeriSign's actual results to differ materially from those stated or implied by such forward-looking statements. The potential risks and uncertainties include, among others, the uncertainty of future revenue and profitability and potential fluctuations in quarterly operating results due to such factors as increasing competition, pricing pressure from competing services offered at prices below our prices and changes in marketing

practices including those of third-party registrars; the current global economic downturn; challenges to ongoing privatization of Internet administration; the outcome of legal or other challenges resulting from our activities or the activities of registrars or registrants; new or existing governmental laws and regulations; changes in customer behavior; the inability of VeriSign to successfully develop and market new services; the uncertainty of whether our new services will achieve market acceptance or result in any revenues; system interruptions; security breaches; attacks on the Internet by hackers, viruses, or intentional acts of vandalism; the uncertainty of the expense and duration of transition services and requests for indemnification relating to completed divestitures; and the uncertainty of whether Project Apollo will achieve its stated objectives. More information about potential factors that could affect the company's business and financial results is included in VeriSign's filings with the Securities and Exchange Commission, including in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. VeriSign undertakes no obligation to update any of the forward-looking statements after the date of this announcement.

(1) As of September 30, 2010, the Company's business consists of the following reportable segments: (a) Naming Services, which consists of Registry Services and Network Intelligence and Availability ("NIA") Services; and (b) Other Services, which consists of the continuing operations of Content Portal Services ("CPS").

(2) Results of Other Services during the three months ended September 30, 2010 and 2009 includes stock-based compensation of \$27 and \$19 respectively.

(3) Non-GAAP tax is calculated as 30% of income from continuing operations. VeriSign provides quarterly and annual financial statements that are prepared in accordance with generally accepted accounting principles (GAAP). Along with this information, we typically disclose and discuss certain non-GAAP financial information in our quarterly earnings release, on investor conference calls and during investor conferences and related events. This non-GAAP financial information does not include the following types of financial measures that are included in GAAP: discontinued operations, results of Other Services, stock-based compensation, amortization of other intangible assets, impairments of goodwill and other intangible assets, restructuring costs and non-cash interest expense. Non-GAAP financial information is also adjusted for a 30% tax rate which differs from the GAAP tax rate. All non-GAAP figures for each period presented above have been conformed to exclude the foregoing items under GAAP. Prior disclosures of non-GAAP figures do not exclude the same items and as such should not be used for comparison purposes. Management believes that this non-GAAP financial data supplements our GAAP

financial data by providing investors with additional information that allows them to have a clearer picture of the company's core operations. The presentation of this additional information is not meant to be considered in isolation nor as a substitute for results prepared in accordance with GAAP. We believe that the non-GAAP information enhances the investors' overall understanding of our financial performance and the comparability of the company's operating results from period to period. Above, we have provided a reconciliation of the non-GAAP financial information that we provide each quarter with the comparable financial information reported in accordance with GAAP for the given period.
