This Current Report on Form 8-K/A of VeriSign, Inc. ("**VeriSign**") is being filed to amend and supplement Items 1.01, 2.03, 3.02 and 9.01 of the Current Report on Form 8-K filed by VeriSign on August 21, 2007 (the "**Form 8-K**"). VeriSign is filing herewith a copy of the Indenture that it entered into with U.S. Bank National Association, as trustee, on August 20, 2007 (the "**Indenture**") and the Registration Rights Agreement that it entered into with J.P. Morgan Securities Inc. on August 20, 2007 (the "**Registration Rights Agreement**") in connection with the issuance of \$1,100,000,000 aggregate principal amount of 3.25% Junior Subordinated Convertible Debentures due 2037 (the "**Debentures**").

Item 1.01. Entry into a Material Definitive Agreement.

A copy of the Indenture and Registration Rights Agreement is attached hereto as Exhibits 4.1 and 4.2, respectively and are incorporated herein by reference. The descriptions of the Debentures contained in the Form 8-K are qualified in their entirety by reference to the Indenture.

Item 8.01. Other Events.

On August 30, 2007, J.P. Morgan Securities Inc. (the "**Initial Purchaser**") exercised its over-allotment option granted by VeriSign under the terms of the Purchase Agreement between the Initial Purchaser and VeriSign, dated August 14, 2007, and purchased an additional \$150,000,000 in aggregate principal amount of Debentures (the "**Additional Debentures**").

VeriSign offered and sold the Additional Debentures to the Initial Purchaser in reliance on the exemption from registration provided by Section 4(2) of the Securities Act. The Initial Purchaser is initially offering the Additional Debentures to "qualified institutional buyers" pursuant to the exemption from registration provided by Rule 144A under the Securities Act. VeriSign relied on these exemptions from registration based in part on representations made by the Initial Purchaser.

The Additional Debentures and Common Stock issuable upon conversion of the Additional Debentures have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

The foregoing description of the Additional Debentures is qualified in its entirety by reference to the Indenture and Registration Rights Agreement.

3.25% Junior Subordinated Convertible Debentures due 2037

This Security is one of a duly authorized issue of Securities of the Company, designated as its 3.25% Junior Convertible Subordinated Debentures due 2037 (the “**Securities**”), all issued or to be issued under and pursuant to an Indenture dated as of August 20, 2007 (the “**Indenture**”), between the Company and U.S. Bank National Association (the “**Trustee**”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities.

Interest. The Securities will bear Regular Interest at a rate of 3.25% per year, payable semi-annually in arrears on February 15 and August 15 of each year beginning on February 15, 2008. In addition to Regular Interest, the Securities will also bear Contingent Interest (i) commencing on August 15, 2014, during any semi-annual interest period in which the average trading price of the Securities for the 10 Trading Day period immediately preceding the first day of such semi-annual period is greater than or equal to \$1,500 per \$1,000 Principal Amount of the Securities, at a rate of 0.50% of such trading price per annum, (ii) commencing on August 15, 2014, during any semi-annual interest period in which the average trading price of the Securities for the 10 Trading Day period immediately preceding the first day of such semi-annual period is less than or equal to a threshold that will initially be set at \$500 per \$1,000 Principal Amount of the Securities and that will increase over time in accordance with the Indenture, at a rate of 0.25% of such trading price per annum and (iii) at any time that Securities are outstanding in the event that the Company pays an extraordinary cash dividend or distribution to holders of the Common Stock that the Company’s Board of Directors designates as payable to Holders of the Securities.

So long as the Company is not in Default in the payment of Interest on the Securities, the Company may defer the payment of Interest on the Securities (other than Contingent Interest relating to an Extraordinary Dividend) for a period not to exceed 10 consecutive semi-annual interest payment periods, during which time Compounded Interest will accrue as provided in the Indenture.

Subordination. The Securities are unsecured junior obligations of the Company subordinated in right of payment to the Company’s existing and future Senior Debt and effectively subordinated in right of payment to all indebtedness and other liabilities of the Company’s subsidiaries, and the Securities are issued subject to such provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on its behalf to take such action as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee its attorney-in-fact for any and all such purposes.

Redemption at the Option of the Company. No sinking fund is provided for the Securities. Prior to August 15, 2017, the Securities will not be redeemable. The Securities are redeemable as a whole, or from time to time in part, at any time commencing on August 15, 2017 at the option of the Company if the Last Reported Sale Price of the Common Stock has been at least 150% of Conversion Price then in effect for at least 20 Trading Days during any 30 consecutive Trading Day period prior to the date on which the Company provides notice of redemption. The redemption price (the “**Redemption Price**”) for any such redemption is an amount of cash equal to 100%, expressed as a percentage of the Principal Amount of Securities to be redeemed, together with accrued and unpaid Interest to, but excluding, the Redemption Date.

Repurchase by the Company at the Option of the Holder Upon a Fundamental Change. Subject to the terms and conditions of the Indenture, the Company shall become obligated, at the option of the Holder, to repurchase the Securities if a Fundamental Change occurs at any time prior to the Stated Maturity at 100% of the Principal Amount plus accrued and unpaid Interest to, but excluding, the Fundamental Change Repurchase Date (the “**Fundamental Change Repurchase Price**”), which Fundamental Change Repurchase Price will be paid in cash. If the Fundamental Change Repurchase Date is between a regular Record Date and the Interest Payment Date to which it relates, the Company will pay accrued and unpaid interest to the holder of record on such regular record date.

Withdrawal of Repurchase Notice and Fundamental Change Repurchase Notice. Holders have the right to withdraw, in whole or in part, any Repurchase Notice or Fundamental Change Repurchase Notice, as the case may be, by delivering to the Paying Agent a written notice of withdrawal in accordance with the provisions of the Indenture.

Payment of Redemption Price, Repurchase Price and Fundamental Change Repurchase Price. If cash sufficient to pay the Redemption Price or Fundamental Change Repurchase Price, as the case may be, of all Securities or portions thereof to be redeemed or repurchased on a Redemption Date or on a Fundamental Change Repurchase Date, as the case may be, is deposited with the Paying Agent on the Redemption Date or the Fundamental Change Repurchase Date, as the case may be, such Securities will cease to be outstanding and Interest will cease to accrue on such Securities (or portions thereof) immediately after such Redemption Date or Fundamental Change Repurchase Date, as the case may be, and the Holder thereof shall have no other rights as such (other than the right to receive the Redemption Price or Fundamental Change Repurchase Price, as the case may be, upon surrender of such Security).

Conversion. Subject to and in compliance with the provisions of the Indenture (including without limitation the conditions of conversion of this

Security set forth in Article 9 thereof), the Holder hereof has the right, at its option, to convert the Principal Amount hereof or any portion of such principal which is \$1,000 or an integral multiple thereof, into, subject to Section 9.01 of the Indenture, cash and/or shares of Common Stock, at the Conversion Rate. The initial Conversion Rate is 29.0968 shares of Common Stock per \$1,000 Principal Amount of Securities (equivalent to a conversion price of approximately \$34.37), subject to adjustment in certain events described in the Indenture. Upon conversion, the Company will pay cash, shares of Common Stock, or any combination thereof, equal to the Settlement Amount, as set forth in the Indenture. No fractional shares will be issued upon any conversion, but an adjustment and payment in cash will be made, as provided in the Indenture, in respect of any fraction of a share which would otherwise be issuable upon the surrender of any Securities for conversion. Securities in respect of which a Holder is exercising its right to require repurchase on a Fundamental Change Repurchase Date may be converted only if such Holder withdraws its election to exercise such right in accordance with the terms of the Indenture.

Upon conversion, the Company shall deliver, for each \$1,000 principal amount of Securities being converted, cash, shares of Common Stock or any combination thereof equal to the Settlement Amount in accordance with the Indenture.

In the event of a deposit or withdrawal of an interest in this Security, including an exchange, transfer, repurchase or conversion of this Security in part only, the Trustee, as custodian of the Depository, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the rules and procedures of the Depository.

Subject to certain limitations in the Indenture, at any time when the Company is not subject to Section 13 or 15(d) of the United States Securities Exchange Act of 1934, as amended, upon the request of a Holder of a Restricted Security, the Company will promptly furnish or cause to be furnished Rule 144A Information (as defined below) to such Holder of Restricted Securities, or to a prospective purchaser of any such security designated by any such Holder, to the extent required to permit compliance by any such Holder with Rule 144A under the Securities Act of 1933, as amended (the “**Securities Act**”). “**Rule 144A Information**” shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

If an Event of Default shall occur and be continuing, the Principal Amount plus Interest, through such date on all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at

least a majority in aggregate Principal Amount of the Outstanding Securities. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate Principal Amount of the Outstanding Securities, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of any provision of or applicable to this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities, the Holders of at least 25% in aggregate Principal Amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity satisfactory to it, the Trustee shall not have received from the Holders of a majority in Principal Amount of Outstanding Securities a direction inconsistent with such request, and the Trustee shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of the Principal Amount, Redemption Price or Fundamental Change Repurchase Price hereof on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Principal Amount, Redemption Price or Fundamental Change Repurchase Price of, and Interest on, this Security at the times, place and rate, and in the coin or currency, herein prescribed but subject, however, to the terms of subordination set forth in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate Principal Amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form in denominations of \$1,000 and any integral multiple of \$1,000 above that amount, as provided in the

Indenture and subject to certain limitations therein set forth. Securities are exchangeable for a like aggregate Principal Amount of Securities of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company and the Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and the Security Registrar and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

This Security shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security that are defined in the Indenture shall have the meanings assigned to them in the Indenture.

All Securities shall bear the applicable legends set forth on the face of the form of Security in Section 2.02. Except as provided in Section 3.05 and Section 3.09, the Trustee shall not issue any unlegended Security until it has received an Officers’ Certificate from the Company directing it to do so.

ARTICLE 3
THE SECURITIES

Section 3.01. *Title And Terms; Payments.* The aggregate Principal Amount of Securities that may be authenticated and delivered under this Indenture is initially limited to \$1,100,000,000 (or up to \$1,300,000,000 to the extent the Initial Purchaser exercises its overallocation option granted pursuant to the Purchase Agreement), except for Securities authenticated and delivered upon registration or transfer of, or in exchange for, or in lieu of, other Securities pursuant to Sections 3.04, 3.05, 3.06, 7.06, 8.05 or 15.06.

The Securities shall be known and designated as the “3.25% Junior Subordinated Convertible Debentures due 2037” of the Company. The Principal Amount shall be payable at the Stated Maturity.

The Securities will not have the benefit of a sinking fund.

The Securities will be subordinated to all Senior Debt of the Company.

The Principal Amount of and Interest on Global Securities registered in the name of The Depository Trust Company or its nominee shall be paid by wire transfer in immediately available funds to The Depository Trust Company or its nominee, as applicable.

The Principal Amount of Physical Securities shall be payable at the Corporate Trust Office and at any other office or agency maintained for such purpose and at any other office or agency maintained by the Company for such purpose. Interest on Physical Securities will be payable (i) to Holders having an aggregate Principal Amount of \$5,000,000 or less of Securities, by check mailed to such Holders at the address set forth in the Security Registrar and (ii) to Holders having an aggregate Principal Amount of more than \$5,000,000 of Securities, either by check mailed to such Holders or, upon application by a Holder to the Security Registrar not later than the relevant Record Date for such Interest payment, by wire transfer in immediately available funds to such Holder’s account within the United States, which application shall remain in effect until the Holder notifies the Security Registrar to the contrary in writing.

Section 3.02. *Denominations.* The Securities shall be issuable only in registered form without coupons and in denominations of \$1,000 and any integral multiple of \$1,000 above that amount.

Section 3.03. *Execution, Authentication, Delivery and Dating.* The Securities shall be executed on behalf of the Company by the Chairman of the Board of Directors, its President, or one of its Vice Presidents.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities. The Company Order shall specify the amount of Securities to be authenticated, and shall further specify the amount of such Securities to be issued as a Global Security or as Physical Securities. The Trustee in accordance with such Company Order shall authenticate and deliver such Securities as in this Indenture provided and not otherwise.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 3.04. *Temporary Securities.* Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities; *provided*, that any such temporary Securities shall bear legends on the face of such Securities as set forth in Section 2.02.

If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of

definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency of the Company designated pursuant to Section 6.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like Principal Amount of Physical Securities of authorized denominations. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as Physical Securities.

Section 3.05. *Registration; Registration of Transfer and Exchange; Restrictions on Transfer.* (a) The Company shall cause to be kept at the applicable Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 6.02 being herein sometimes collectively referred to as the “**Security Register**”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and transfers of Securities. The Trustee is hereby appointed “**Security Registrar**” (the “**Security Registrar**”) for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 6.02 for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations and of a like aggregate Principal Amount and tenor, each such Security bearing such restrictive legends as may be required by this Indenture (including Sections 2.02, 2.05 and 3.09).

At the option of the Holder and subject to the other provisions of this Section 3.05 and to Section 3.09, Securities may be exchanged for other Securities of any authorized denominations and of a like aggregate Principal Amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing. As a condition to the registration of transfer of any Restricted Securities, the Company or the Trustee may require evidence satisfactory to them as to the compliance with the restrictions set forth in the legend on such securities.

Except as provided in the following sentence and in Section 3.09, all Securities originally issued hereunder and all Securities issued upon registration of transfer or exchange or replacement thereof shall be Restricted Securities and shall bear the legends required by Sections 2.02 and 2.05, unless the Company shall have delivered to the Trustee (and the Security Registrar, if other than the Trustee) a Company Order stating that the Security is not a Restricted Security and may be issued without such legend thereon. Securities that are issued upon registration of transfer of, or in exchange for, Securities that are not Restricted Securities shall not be Restricted Securities and shall not bear such legend.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company and the Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04 not involving any transfer.

Neither the Company nor the Security Registrar shall be required to exchange or register a transfer of any Security (i) during the period beginning at the opening of business 15 days before the earliest date on which a notice of redemption is deemed to have been given to all Holders of Securities to be redeemed and ending at the close of business on the date on which a notice of redemption is deemed to have been given to all Holders of Securities to be redeemed, (ii) after any notice of redemption has been given to Holders, except that where such notice provides that such Security is to be redeemed only in part, the Company and the Security Registrar shall be required to exchange or register a transfer of the portion thereof not to be redeemed, (iii) that has been surrendered for conversion or (iv) as to which a Fundamental Change Repurchase Notice has been delivered and not withdrawn, except that where such Fundamental Change Repurchase Notice provides that such Security is to be purchased only in part, the Company and the Security Registrar shall be required to exchange or register a transfer of the portion thereof not to be purchased.

(b) Beneficial ownership of every Restricted Security shall be subject to the restrictions on transfer provided in the legends required to be set forth on the face of each Restricted Security pursuant to Sections 2.02 and 2.05, unless such restrictions on transfer shall be terminated in accordance with this Section 3.05(b) or Section 3.09. The Holder of each Restricted Security, by such Holder's acceptance thereof, agrees to be bound by such restrictions on transfer.

The restrictions imposed by this Section 3.05 and by Sections 2.02, 2.05 and 3.09 upon the transferability of any particular Restricted Security shall cease and terminate upon delivery by the Company to the Trustee of an Officers' Certificate stating that such Restricted Security has been sold pursuant to an

effective Resale Registration Statement under the Securities Act or transferred in compliance with Rule 144 under the Securities Act (or any successor provision thereto). Any Restricted Security as to which the Company has delivered to the Trustee an Officers' Certificate stating that such restrictions on transfer shall have expired in accordance with their terms or shall have terminated may, upon surrender of such Restricted Security for exchange to the Security Registrar in accordance with the provisions of this Section 3.05, be exchanged for a new Security, of like tenor and aggregate Principal Amount, which shall not bear the restrictive legends required by Sections 2.02 and 2.05. The Company shall inform the Trustee in writing of the effective date of any Resale Registration Statement registering the Securities under the Securities Act. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the aforementioned resale registration statement.

As used in the preceding two paragraphs of this Section 3.05, the term "**transfer**" encompasses any sale, pledge, transfer or other disposition of any Restricted Security.

(c) Neither the Trustee, the Security Registrar nor any of their respective agents shall (i) have any duty to monitor compliance with or with respect to any federal or state or other securities or tax laws or (ii) have any duty to obtain documentation relating to any transfers or exchanges other than as specifically required hereunder.

Section 3.06. *Mutilated, Destroyed, Lost and Stolen Securities.* If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and Principal Amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and Principal Amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable or has been called for redemption in full, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section 3.06, the Company may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section 3.06 in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section 3.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 3.07. *Persons Deemed Owners.* Prior to due presentment of a Security for registration of transfer, the Company, the Trustee, the Security Registrar and any agent of the Company, the Trustee or the Security Registrar may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of the principal of such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee, the Security Registrar nor any agent of the Company, the Trustee or the Security Registrar shall be affected by notice to the contrary.

Section 3.08. *Book-Entry Provisions For Global Securities.* (a) The Global Securities initially shall (i) be registered in the name of the Depository or the nominee of such Depository, (ii) be delivered to the Trustee as custodian for the Depository and (iii) bear legends as set forth on the face of the form of Security in Section 2.02.

Members of, or participants in, the Depository (“**Agent Members**”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of any Holder.

(b) Transfers of the Global Securities shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in a Global Security may be transferred or exchanged, in whole or in part, for Physical Securities in accordance with the rules and procedures of the Depository and the provisions of Section 3.09. In

addition, Physical Securities shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Securities if (A) such Depository has notified the Company that the Depository (i) is unwilling or unable to continue as Depository for such Global Security or (ii) has ceased to be a clearing agency registered under the Exchange Act when the Depository is required to be so registered to act as such Depository and, in either such case, no successor Depository shall have been appointed within 90 days of such notification, (B) there shall have occurred and be continuing an Event of Default with respect to such Global Security and the Outstanding Securities shall have become due and payable pursuant to Section 10.02 and the Trustee requests that Physical Securities be issued or (C) the Company, at its option, notifies the Trustee that it elects to cause the issuance of Physical Securities, subject to applicable procedures of the Depository; *provided* that Holders of Physical Securities offered and sold in reliance on Rule 144A shall have the right, subject to applicable law, to request that such Securities be exchanged for interests in the applicable Global Security.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in the Global Security to beneficial owners pursuant to paragraph (b) above, the Security Registrar shall (if one or more Physical Securities are to be issued) reflect on its books and records the date and a decrease in the Principal Amount of the Global Security in an amount equal to the Principal Amount of the beneficial interest in the Global Security to be transferred, and the Company shall execute, and the Trustee shall authenticate and deliver, one or more Physical Securities of like tenor and amount.

(d) In connection with the transfer of the entire Global Security to beneficial owners pursuant to paragraph (b) above, the Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interest in the Global Security, an equal aggregate Principal Amount of Physical Securities of authorized denominations and the same tenor.

(e) Any Physical Security constituting a Restricted Security delivered in exchange for an interest in the Global Security pursuant to paragraph (c) or (d) above shall, except as otherwise provided by Section 3.09, bear the legend regarding transfer restrictions applicable to the Physical Securities set forth on the face of the form of Security in Section 2.02.

(f) The Holder of the Global Securities may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

Section 3.09. *Cancellation and Transfer Provisions.* The Company at any time may deliver to the Trustee for cancellation any Securities previously

authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold. The Trustee shall cancel and dispose of all Securities surrendered for registration of transfer, exchange, payment, purchase, repurchase, redemption, conversion (pursuant to Article 9 hereof) or cancellation in accordance with its customary practices. If the Company shall acquire any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are delivered to the Trustee for cancellation. The Company may not issue new Securities to replace Securities it has paid in full or delivered to the Trustee for cancellation.

(a) *Transfers to QIBs.* The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to a QIB:

(i) the Security Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on the form of Security stating, or has otherwise advised the Company and the Security Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who has signed the certification provided for on the form of Security stating, or has otherwise advised the Company and the Security Registrar in writing, that it is purchasing the Security for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of Physical Securities which after transfer are to be evidenced by an interest in the Global Security, upon receipt by the Security Registrar of instructions given in accordance with the Depositary's and the Security Registrar's procedures, the Security Registrar shall reflect on its books and records the date and an increase in the Principal Amount of the Global Security in an amount equal to the Principal Amount of the Physical Securities to be transferred, and the Trustee shall cancel the Physical Securities so transferred.

(b) *Private Placement Legend.* Upon the registration of transfer, exchange or replacement of Securities not bearing the legends required by Sections 2.02 and 2.05, the Security Registrar shall deliver Securities that do not bear such legends. Except in the case of a registration of transfer, exchange or

replacement contemplated by the Registration Rights Agreement, upon the registration of transfer, exchange or replacement of Securities bearing the legends required by Sections 2.02 and 2.05, the Security Registrar shall deliver only Securities that bear such legends unless there is delivered to the Security Registrar an Opinion of Counsel reasonably satisfactory to the Company and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

(c) *General.* By its acceptance of any Security bearing the legends required by Sections 2.02 and 2.05, each Holder of such a Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in such legends and agrees that it will transfer such Security only as provided in this Indenture.

The Security Registrar shall retain, in accordance with its customary procedures, copies of all letters, notices and other written communications received pursuant to this Section 3.09. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Security Registrar.

Section 3.10. *CUSIP Numbers.* In issuing the Securities, the Company may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the “CUSIP” numbers.

ARTICLE 4 INTEREST

Section 4.01. *Generally.*

(a) Regular interest (“**Regular Interest**”) shall accrue on the Securities from August 20, 2007 at a rate of 3.25% per annum until the principal thereof is paid or made available for payment. Regular Interest shall be payable semi-annually in arrears on February 15 and August 15 of each year, commencing February 15, 2008.

(b) Interest on the Securities shall be computed (i) for any full semi-annual period for which a particular interest rate (inclusive of any Contingent Interest, Additional Interest or Compounded Interest payable with respect to the Securities) is applicable, on the basis of a 360-day year of twelve 30-day months

and (ii) for any period for which a particular interest rate (inclusive of any Contingent Interest, Additional Interest or Compounded Interest payable with respect to the Securities) is applicable shorter than a full semi-annual period for which interest is calculated, on the basis of a 30-day month and, for such periods of less than a month, the actual number of days elapsed over a 30-day month.

(c) Except as otherwise provided in this Section 4.01(c), a Holder of any Securities at the close of business on a Record Date shall be entitled to receive Interest on such Securities on the corresponding Interest Payment Date.

(i) A Holder of any Securities as of a Record Date that are converted after the close of business on such Record Date and prior to the opening of business on the corresponding Interest Payment Date shall receive Interest on the principal amount of such Securities, notwithstanding the conversion of such Securities prior to such Interest Payment Date. However, a Holder that surrenders any Securities for conversion between the close of business on a Record Date and the opening of business on the corresponding Interest Payment Date shall be required to pay the Company an amount equal to the Interest payable by the Company with respect to such Securities on such Interest Payment Date at the time such Holder surrenders such Securities for conversion, *provided, however*, that this sentence shall not apply to a Holder that converts Securities:

(A) in respect of which the Company has given notice of redemption pursuant to Section 7.03 on a Redemption Date that is after the relevant Record Date and on or prior to the relevant Interest Payment Date;

(B) in respect of which the Company has specified a Fundamental Change Repurchase Date that is after the relevant Record Date and on or prior to the relevant Interest Payment Date; or

(C) following the Record Date for the payment of Regular Interest on August 15, 2037.

Accordingly, a Holder that converts Securities under any of the circumstances described in clauses (A), (B) or (C) above will not be required to pay to the Company an amount equal to the Interest payable by the Company with respect to such Securities on the relevant Interest Payment Date.

(ii) Notwithstanding any other provision of this Section 4.01(c), a Holder of any Security that surrenders Securities for conversion shall not be required to pay to the Company any Deferred Interest, Compounded Interest or overdue interest that exists on the Conversion Date for such conversion, regardless of whether the Conversion Date for such conversion falls between the close of business on a Record Date and the opening of business on the corresponding Interest Payment Date.

(iii) Notwithstanding any other provision of this Section 4.01(c), any Interest payable on a Redemption Date that falls between the close of business on a Record Date and the opening of business on the corresponding Interest Payment Date shall be payable to the Holder of the Securities being redeemed as provided in Section 7.01(b) and shall not be payable to the Holder on the Record Date immediately preceding such redemption. The payment of such Interest to the Holder of the Securities being redeemed as provided in Section 7.01(b) shall be deemed to satisfy the Company's obligations in respect of such Interest.

Section 4.02. *Contingent Interest.* (a) Contingent interest on the Securities ("**Contingent Interest**") shall accrue and the Company shall pay such Contingent Interest to the Holders as follows:

(i) beginning with the six-month interest payment period commencing August 15, 2014:

(A) during any six-month interest payment period with respect to which the average Trading Price for the 10 Trading Days immediately preceding the first day of such six-month interest payment period is greater than or equal to the Upside Trigger, in which case the Contingent Interest payable on each \$1,000 Principal Amount for such six-month interest payment period shall be equal to 0.50% per annum of the average Trading Price for the 10 Trading Days immediately preceding the first day of such six-month interest payment period;

(B) during any six-month interest payment period with respect to which the average Trading Price for the 10 Trading Days immediately preceding the first day of such six-month interest payment period is less than or equal to the Downside Trigger, in which case the Contingent Interest payable on each \$1,000 Principal Amount for such six-month interest payment period shall be equal to 0.25% per annum of the average Trading Price for the 10 Trading Days immediately preceding the first day of such six-month interest payment period; and

(ii) at any time Securities are outstanding, upon the declaration by the Company's Board of Directors of an extraordinary cash dividend or distribution to all or substantially all holders of the Common Stock that the Company's Board of Directors designates as payable with respect to the Securities (an "**Extraordinary Dividend**"), in which case (A) Contingent Interest will be payable on the same date as, and in an amount equal to, the dividend or distribution that a Holder would have received had such

Holder converted its Securities immediately prior to the record date for the payment of the corresponding dividend or distribution to holders of the Common Stock and (B) the record date for the payment of such Interest shall be the same as the record date for the payment of the corresponding extraordinary dividend or distribution to holders of the Common Stock.

(b) For purposes of this Article 4, if the Bid Solicitation Agent cannot reasonably obtain at least one bid for \$5,000,000 Principal Amount of Securities from an independent nationally recognized securities dealer as required by the definition of "Trading Price" or, in the reasonable judgment of the Company's Board of Directors (or a committee thereof) the bid quotations are not indicative of the secondary market value of the Securities, then the Trading Price per \$1,000 Principal Amount of Securities will be determined by the Company's Board of Directors (or a committee thereof) based on a good faith estimate of the fair value of the Securities.

(c) The Company shall have no obligation to determine the Trading Price of the Securities or to request the Bid Solicitation Agent to determine the Trading Price of the Securities unless a Holder of Securities provides the Company with reasonable evidence that the Trading Price of the Securities is greater than or equal to the Upside Trigger or is less than or equal to the Downside Trigger, at which time the Company shall instruct the Bid Solicitation Agent to determine the Trading Price of the Securities beginning on the next Trading Day and on each successive Trading Day until the Trading Price of the Securities is less than the Upside Trigger or is greater than the Downside Trigger, as applicable.

Section 4.03. *Trustee's Responsibilities in Respect of Contingent Interest.* The Company shall determine whether Holders are entitled to receive Contingent Interest, and if so, provide notice to the Trustee and issue a press release as required by Section 4.05. Notwithstanding any term contained in this Indenture or any other document to the contrary, the Trustee shall have no responsibilities, duties or obligations for or with respect to (i) determining whether the Company must pay Contingent Interest or (ii) determining the amount of Contingent Interest, if any, payable by the Company.

Section 4.04. *Payment of Contingent Interest.* Subject to Section 4.02 hereof, Contingent Interest for any six-month interest payment period shall be paid on the applicable Interest Payment Date to the Holder in whose name any Security is registered on the Security Register on the corresponding Record Date. Contingent Interest due under this Article 4 shall be treated for all purposes of this Indenture like any other interest accruing on the Securities.

Section 4.05. *Contingent Interest Notification.* By the third Business Day of a six-month interest payment period for which Contingent Interest specified in Section 4.02(a)(i) will be paid, the Company will disseminate a press release through Reuters Economic Services and Bloomberg Business News, stating that

Contingent Interest will be paid on the Securities and identifying such six-month interest payment period as the six-month interest payment period for which such Contingent Interest will be paid. By the third Business Day following the designation by the Company's Board of Directors of an extraordinary cash dividend or distribution as an Extraordinary Dividend pursuant to Section 4.02(a)(ii), the Company will disseminate a press release through Reuters Economic Services and Bloomberg Business News, with a copy to the Trustee, stating that Contingent Interest will be paid on the Securities and identifying the Record Date for the payment of such Contingent Interest and the amount of such extraordinary cash dividend or distribution payable with respect to each share of the Company's Common Stock.

Section 4.06. *Option to Extend Interest Payment.* (a) Subject to the provisions of this Article 4, the Company may from time to time extend the time for payments of Interest on the Securities other than Contingent Interest paid in connection with any Extraordinary Dividend and Additional Interest (any period during which payments are so extended, an "**Extension Period**"); *provided, however*, that no Extension Period may commence if at such time there exists a Default. The Company may specify the length of any Extension Period so declared, may further extend any Extension Period prior to the termination of such Extension Period and, subject to the provisions of this Article 4, may declare successive Extension Periods, *provided, however*, that no Extension Period or series of successive Extension Periods (i) may exceed ten consecutive six-month interest payment periods in duration or (ii) may extend beyond the Stated Maturity of the Securities.

(b) No Interest (other than Contingent Interest paid in connection with any Extraordinary Dividend and Additional Interest) will be due and payable during any Extension Period, but Deferred Interest will accrue and all such accrued and unpaid Deferred Interest will itself bear interest at the Comparable Yield Rate, compounded semi-annually (such interest, "**Compounded Interest**"). The Company may prepay Deferred Interest at any time by designating a Record Date and Interest Payment Date for the payment thereof and providing not less than 30 nor more than 60 days' notice of such dates, to the Trustee and the Holders, together with the amount of Deferred Interest to be prepaid.

(c) Any Extension Period in effect shall automatically terminate upon the occurrence of a Default or Event of Default or upon receipt by the Trustee of notice from the Company delivered pursuant to the terms of Section 1.05.

(d) On the first Interest Payment Date occurring on or after the end of each Extension Period, the Company will pay to the Holders of record on the Record Date for such Interest Payment Date, regardless of who the Holders of record may have been on other dates during such Extension Period, all accrued and unpaid Deferred Interest, including Compounded Interest. Upon termination of any Extension Period and the payments of all amounts then due, the Company may commence a new Extension Period, subject to the requirements set forth in this Section 4.06.

Section 4.07. *Actions Prohibited During Extension Periods.* During any Extension Period (and, with respect to Section 4.07(c), at any time that there exists any accrued and unpaid Deferred Interest with respect to any Securities), the Company shall not:

(a) declare or pay any dividends on, or redeem, purchase, acquire or make a distribution or liquidation payment with respect to, any of the Company's Capital Stock, or make any guarantee payments with respect thereto; *provided, however* that the foregoing will not apply:

(i) to repurchases, redemptions or other acquisitions of shares of the Company's Capital Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of employees, officers, directors or consultants, which contract, plan or arrangement is approved by the Company's Board of Directors;

(ii) as a result of an exchange or conversion of any class or series of the Company's Capital Stock for any other class or series of the Company's Capital Stock;

(iii) to the purchase of fractional interests in shares of the Company's Capital Stock pursuant to the conversion or exchange provisions of such Capital Stock or a security being converted or exchanged into such Capital Stock;

(iv) to stock dividends or other stock distributions (including rights, warrants or options to purchase Capital Stock) paid by the Company; or

(b) make any payment of principal, interest or premium, if any, on or repay, repurchase or redeem any of the Company's debt securities that rank in right of payment *pari passu* with, or junior to, the Securities; or

(c) redeem the Securities pursuant to Article 7 hereof or give notice of redemption of the Securities pursuant to Section 7.03 hereof.

Section 4.08. *Notification of Extension Period.* The Company shall give written notice to the Trustee of the commencement of an Extension Period (and shall direct the Trustee to deliver such notice to each Holder of Securities) at least 16 calendar days prior to the earlier of (i) the next succeeding Interest Payment Date and (ii) the date on which the Company is required to give notice to the Nasdaq Global Select Market (if the Securities are then listed thereon) or other applicable self-regulatory organization or to Holders of the Securities of the record or payment date of the related interest payment. Such notice shall specify the commencement and end of such Extension Period and the Comparable Yield Rate applicable to any Compounded Interest that may accrue during such Extension Period.

ARTICLE 5
SUBORDINATION

Section 5.01. *Agreement of Subordination.* The Company covenants and agrees, and each Holder of Securities issued hereunder by its acceptance thereof likewise covenants and agrees, that all Securities shall be issued subject to the provisions of this Article 5; and each Person holding any Security, whether upon original issue or upon transfer, assignment or exchange thereof, accepts and agrees to be bound by such provisions.

The payment of the principal of and Interest on all Securities (including, but not limited to, the Redemption Price and the Fundamental Change Repurchase Price with respect to the Securities subject to redemption or repurchase in accordance with Articles 7 and 8, respectively, and the payment of any cash upon conversion in accordance with Article 9) issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full in cash or other payment satisfactory to the holders of Senior Debt of all Senior Debt, whether outstanding at the date of this Indenture or thereafter incurred.

No provision of this Article 5 shall prevent the occurrence of any Default or Event of Default hereunder.

Section 5.02. *Payments to Holders.* No payment shall be made with respect to the principal of or Interest on the Securities (including, but not limited to, the Redemption Price and the Fundamental Change Repurchase Price with respect to the Securities subject to redemption or purchase in accordance with Articles 7 and 8, respectively, and any payment of cash upon conversion in accordance with Article 9), except payments and distributions made by the Trustee as permitted by Section 5.05, if:

(a) a default in the payment of principal, premium, interest or other amounts due on any Senior Debt, or in respect of any redemption or repurchase obligation under any Senior Debt, occurs and is continuing (or, in the case of Senior Debt for which there is a period of grace, in the event of such a default that continues beyond the period of grace, if any, specified in the instrument or lease evidencing such Senior Debt) (a “**Payment Default**”); or

(b) a default, other than a Payment Default, on any Designated Senior Debt occurs and is continuing that then permits holders of such Designated Senior Debt (or any Representative) to accelerate its maturity (a “**Non-Payment Default**”) and a Responsible Officer of the Trustee receives at the Corporate Trust Office a written notice of the default (a “**Payment Blockage Notice**”) from the Company or a Representative of such Designated Senior Debt.

Notwithstanding the foregoing, following the delivery of a Payment Blockage Notice, no new Payment Blockage Notice may be delivered and no new period of payment blockage with respect to the Securities may begin until both (i) 365 consecutive days have elapsed since the effectiveness of the first Payment Blockage Notice and (ii) all scheduled payments of principal and Interest with respect to the Securities that are due have been paid in full in cash. No default that existed or was continuing on the date of delivery of any Payment Blockage Notice with respect to the Designated Senior Debt whose holders delivered the Payment Blockage Notice may be made the basis of a subsequent Payment Blockage Notice by the holders of such Designated Senior Debt, whether or not within a period of 365 consecutive days.

The Company may and shall resume payments on and distributions in respect of the Securities upon:

(1) in the case of a Payment Default, the date upon which the default is cured or waived or ceases to exist, or

(2) in the case of a Non-Payment Default, the earlier of the date on which such default is cured or waived or ceases to exist, in each case as and to the extent permitted under the documentation for the Designated Senior Debt, or the 179th day after the date on which the applicable Payment Blockage Notice is received, in each case, unless the maturity of the Designated Senior Debt has been accelerated or this Article 5 otherwise prohibits the payment or distribution at the time of such payment or distribution.

Upon any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Company (whether voluntary or involuntary) or in bankruptcy, insolvency, receivership or similar proceedings, all amounts due or to become due upon all Senior Debt shall first be paid in full in cash, or other payments satisfactory to the holders of Senior Debt before any payment of cash, property or securities is made on account of the principal of or Interest on, or with respect to the conversion of, the Securities (except, to the extent required by applicable law, payments made pursuant to Article 14 from monies deposited with the Trustee pursuant thereto prior to commencement of proceedings for such dissolution, winding-up, liquidation or reorganization); and upon any such dissolution or winding-up or liquidation or reorganization of the Company or bankruptcy, insolvency, receivership or other proceeding, any payment by the Company, or distribution of

assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Securities or the Trustee would be entitled, except for the provision of this Article 5, shall (except as aforesaid) be paid by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Securities or by the Trustee under this Indenture if received by them or it, directly to the holders of Senior Debt (pro rata to such holders on the basis of the respective amounts of Senior Debt held by such holders, or as otherwise required by law or a court order) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any Senior Debt may have been issued, as their respective interests may appear, to the extent necessary to pay all Senior Debt in full in cash, or other payment satisfactory to the holders of Senior Debt, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt, before any payment or distribution is made to the Holders of the Securities or to the Trustee.

For purposes of this Article 5, the words, "cash, property or securities" shall not be deemed to include shares of Capital Stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article 5 with respect to the Securities to the payment of all Senior Debt which may at the time be outstanding; *provided that* (i) the Senior Debt is assumed by the new corporation, if any, resulting from any reorganization or readjustment, and (ii) the rights of the holders of Senior Debt (other than leases which are not assumed by the Company or the new corporation, as the case may be) are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company into, another corporation or the liquidation or dissolution of the Company following the conveyance, transfer or lease of all or substantially all its property to another corporation upon the terms and conditions provided for in Article 11 shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 5.02 if such other corporation shall, as a part of such consolidation, merger, conveyance, transfer or lease, comply with the conditions stated in Article 11.

If payment of the Securities is accelerated because of an Event of Default, the Company shall promptly notify holders of Senior Debt or their Representatives of such acceleration. The Company shall not pay the Securities until ten days after the holders or Representatives for the holders of Senior Debt receive notice of the acceleration and after which the Company shall pay the Securities only if this Article 5 otherwise permits payment at that time.

In the event that, notwithstanding the foregoing provisions, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities (including, without limitation, by way of setoff or otherwise), prohibited by the foregoing, shall be received by the Trustee or the Holders of the Securities before all Senior Debt is paid in full, in cash or other

payment satisfactory to the holders of Senior Debt, or provision is made for such payment thereof in accordance with its terms in cash or other payment satisfactory to the holders of Senior Debt, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Debt or their Representative or Representatives, as their respective interests may appear, as calculated by the Company, for application to the payment of all Senior Debt remaining unpaid to the extent necessary to pay all Senior Debt in full, in cash or other payment satisfactory to the holders of Senior Debt or their Representative, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt.

Nothing in this Section 5.02 shall apply to claims of, or payments to, the Trustee under or pursuant to Section 12.07. This Section 5.02 shall be subject to the further provisions of Section 5.05.

Section 5.03. *Subrogation of Securities.* Subject to the payment in full, in cash or other payment satisfactory to the holders of Senior Debt, of all Senior Debt, the rights of the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article 5 (equally and ratably with the holders of all Indebtedness of the Company which by its express terms is subordinated to other Indebtedness of the Company to substantially the same extent as the Securities are subordinated and is entitled to like rights of subrogation) to the rights of the holders of Senior Debt to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Debt until the principal of and Interest on the Securities shall be paid in full in cash or other payment satisfactory to the Holders of Securities; and, for the purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article 5, and no payment over pursuant to the provisions of this Article 5, to or for the benefit of the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as between the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment by the Company to or on account of the Senior Debt; and no payment or distribution of cash, property or securities to or for the benefit of the Holders of the Securities pursuant to the subrogation provisions of this Article 5, which would otherwise have been paid to the holders of Senior Debt shall be deemed to be a payment by the Company to or for the account of the Securities. It is understood that the provisions of this Article 5 are and are intended solely for the purposes of defining the relative rights of the Holders of the Securities, on the one hand, and the holders of the Senior Debt, on the other hand.

Nothing contained in this Article 5 or elsewhere in this Indenture or in the Securities is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Debt, and the Holders of the Securities, the obligation of the Company, which is absolute and unconditional, to pay to the

Holders of the Securities the principal of and Interest on the Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Securities and creditors of the Company other than the holders of the Senior Debt.

Upon any payment or distribution of assets of the Company referred to in this Article 5, the Trustee, subject to the provisions of Section 12.01, and the Holders of the Securities shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such bankruptcy, dissolution, winding-up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of the Securities, for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other Indebtedness of the Company, the amount thereof or payable thereon and all other facts pertinent thereto or to this Article 5.

Section 5.04. *Authorization to Effect Subordination.* Each Holder of a Security by the Holder's acceptance thereof authorizes and directs the Trustee on the Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 5 and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 5.03 hereof at least 30 days before the expiration of the time to file such claim, the holders of any Senior Debt or their representatives are hereby authorized to file an appropriate claim for and on behalf of the Holders of the Securities.

Section 5.05. *Notice to Trustee.* The Company shall give prompt written notice in the form of an Officers' Certificate to a Responsible Officer of the Trustee and to any Paying Agent of any fact known to the Company that would prohibit the making of any payment of monies to or by the Trustee or any Paying Agent in respect of the Securities pursuant to the provisions of this Article 5. Notwithstanding the provisions of this Article 5 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee in respect of the Securities pursuant to the provisions of this Article 5, unless and until a Responsible Officer of the Trustee shall have received written notice thereof at the applicable Corporate Trust Office from the Company (in the form of an Officers' Certificate) or a Representative or a Holder or Holders of Senior Debt or from any trustee thereof; and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 12.01, shall be entitled in all respects to assume that no such facts exist; *provided* that, if by the Required Notice Date (as defined below) prior to the date upon which by the terms hereof any such monies may become payable for any purpose (including, without limitation, the payment of the principal of or Interest on any Security) (the "**Required Payment Date**") the Trustee shall not have received, with respect to

such monies, the notice provided for in this Section 5.05, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it after the Required Notice Date. Notwithstanding anything in this Article 5 to the contrary, nothing shall prevent any payment by the Trustee to the Holders of monies deposited with it pursuant to Article 14, and any such payment shall not be subject to the provisions of this Article 5.

For the purposes of this Section 5.05, the “**Required Notice Date**” shall mean no later than 12:00 p.m., New York City time, one Business Day prior to the Required Payment Date, *provided* that, if the Trustee does not acknowledge in writing (by facsimile, email or other electronic communication) receipt of the notice provided for in this Section 5.05, then the “**Required Notice Date**” hereunder shall mean two Business Days prior to the Required Payment Date. The written notice contemplated by this Section 5.05 shall (i) specifically reference this Section 5.05 and (ii) explicitly state the one Business Day standard set forth herein.

The Trustee, subject to the provisions of Section 12.01, shall be entitled to rely on the delivery to it of a written notice by a Representative or a person representing himself to be a holder of Senior Debt (or a trustee on behalf of such holder) to establish that such notice has been given by a Representative or a holder of Senior Debt. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article 5, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article 5, and if such evidence is not furnished the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 5.06. *Trustee’s Relation to Senior Debt.* The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article 5 in respect of any Senior Debt at any time held by it, to the same extent as any other holder of Senior Debt, and nothing in Section 12.12 or elsewhere in this Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Debt, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article 5, and no implied covenants or obligations with respect to the holders of Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and, subject to the provisions of Section 12.01, the Trustee shall not be liable to any holder of Senior Debt if it shall pay over or deliver to

Holders of Securities, the Company or any other Person money or assets to which any holder of Senior Debt shall be entitled by virtue of this Article 5 or otherwise, unless payment of such amounts is prohibited under this Article 5 and the Trustee shall have received the notice provided for in Section 5.05.

Section 5.07. *No Impairment of Subordination.* No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with. Without in any way limiting the generality of the foregoing, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or evidencing the same or any agreement under which Senior Debt is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt; (iii) release any Person liable in any manner for the collection of Senior Debt; and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

Section 5.08. *Certain Conversions Not Deemed Payment.* For the purposes of this Article 5 only, the issuance and delivery of Common Stock and the payment of cash in lieu of fractional shares of such Common Stock upon conversion of a Security in accordance with Article 9 shall not be deemed to constitute a payment or distribution on account of the principal of or Interest on such Security. Except as provided in this sentence, nothing contained in this Article 5 or elsewhere in this Indenture or in the Securities is intended to or shall impair, as among the Company, its creditors other than holders of Senior Debt and the Holders, the right, which is absolute and unconditional, of the Holder of any Security to convert such Security in accordance with Article 9, *provided, however,* that the payment by the Company of cash upon conversion of such Security shall be subject to the provisions of this Article 5.

Section 5.09. *Article Applicable to Paying Agents.* If at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “**Trustee**” as used in this Article 5 shall (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article 5 in addition to or in place of the Trustee; *provided, however* that the first paragraph of Section 5.05 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

Section 5.10. *Senior Debt Entitled to Rely.* The holders of Senior Debt (including, without limitation, Designated Senior Debt) shall have the right to rely upon this Article 5, and notwithstanding anything to the contrary contained herein or in any Securities, no amendment or modification of the provisions contained herein shall diminish the rights of such holders unless such holders shall have agreed in writing thereto.

Section 5.11. *Reinstatement.* The provisions of this Article 5 shall continue to be effective or shall be reinstated, as the case may be, if, for any reason, any payment of the Senior Debt by or on behalf of the Company shall be rescinded or must otherwise be restored by holder of such Senior Debt, whether as a result of a bankruptcy, insolvency or other voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or similar law or otherwise.

ARTICLE 6 COVENANTS

Section 6.01. *Payments.* The Company shall duly and punctually make all payments in respect of the Securities in accordance with the terms of the Securities and this Indenture.

Any payments made or due pursuant to this Indenture shall be considered paid on the applicable date due if by 10:00 a.m., New York City time, on such date the Paying Agent holds, in accordance with this Indenture, cash sufficient to pay all such amounts then due. Payment of the principal of and Interest on the Securities shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

Section 6.02. *Maintenance of Office or Agency.* The Company shall maintain an office or agency in the Borough of Manhattan, The City of New York, where Securities may be presented or surrendered for payment or conversion, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served, which shall initially be the applicable Corporate Trust Office of the Trustee. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency not designated or appointed by the Trustee. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies (in or outside the Borough of Manhattan, The City of New

York) where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York, for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 6.03. *Appointments to Fill Vacancies in Trustee's Office.* The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 12.10(a), a Trustee, so that there shall at all times be a Trustee hereunder.

Section 6.04. *Money for Security Payments to Be Held in Trust.* If the Company shall at any time act as its own Paying Agent, it shall, on or before each due date of any payment in respect of any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to make the payment so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of any payment in respect of any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 6.04, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent as such.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the making of payments in respect of any Security

and remaining unclaimed for two years after such payment has become due shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however* that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining shall be repaid to the Company. In the absence of a written request from the Company to return funds remaining unclaimed for two years after such payment has become due to the Company, the Trustee shall from time to time deliver all unclaimed payments to or as directed by applicable escheat authorities, as determined by the Trustee in its sole discretion, in accordance with the customary practices and procedures of the Trustee. Any such unclaimed funds held by the Trustee pursuant to this Section 6.04 shall be held uninvested and without any liability for interest.

Section 6.05. *Statement by Officers as to Default.* The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate, stating whether or not to the knowledge of the signers thereof the Company is in Default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in Default, specifying all such Defaults and the nature and status thereof of which they may have knowledge. The Company shall deliver to the Trustee, within 60 days after the Company's knowledge of the occurrence of an Event of Default, an Officers' Certificate setting forth the status and the nature of such Event of Default and the action which the Company proposes to take with respect thereto.

Section 6.06. *Existence.* Subject to Article 11, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises; *provided, however*, that the Company shall not be required to preserve any such right or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders.

Section 6.07. *Rule 144A Information Requirement.* Within the period prior to the expiration of the holding period applicable to sales of Securities or any Common Stock issuable on conversion thereof under Rule 144(k) under the Securities Act (or any successor provision), the Company covenants and agrees that it shall, during any period in which it is not subject to Section 13 or 15(d)

under the Exchange Act, make available to any Holder or beneficial Securityholder or any such Common Stock, in each case which continue to be Restricted Securities, in connection with any sale thereof and any prospective Purchasers of Securities or such Common Stock from such Holder or beneficial holder, the information required pursuant to Rule 144A(d)(4) under the Securities Act upon the request of any Holder or beneficial holder of the Securities or such Common Stock and it will take such further action as any Holder or beneficial holder of such Securities or such Common Stock may reasonably request, all to the extent required from time to time to enable such Holder or beneficial holder to sell its Securities or Common Stock without registration under the Securities Act within the limitation of the exemption provided by Rule 144A, as such rule may be amended from time to time. Upon the request of any Holder or any beneficial holder of the Securities or such Common Stock, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

Section 6.08. *Resale of Certain Securities.* During the period beginning on the Issue Date and ending on the date that is two years from the Issue Date, the Company shall not, and shall not permit any of its “**affiliates**” (as defined under Rule 144 under the Securities Act or any successor provision thereto) to, resell any Securities which constitute “**restricted securities**” under Rule 144 that have been reacquired by any of them. The Trustee shall have no responsibility in respect of the Company’s performance of its agreement in the preceding sentence.

Section 6.09. *Book-Entry System.* If the Securities cease to trade in the Depository’s book-entry settlement system, the Company covenants and agrees that it shall use reasonable efforts to make such other book entry arrangements that it determines are reasonable for the Securities.

Section 6.10. *Additional Interest Under the Registration Rights Agreement.* If at any time Additional Interest becomes payable by the Company pursuant to the Registration Rights Agreement, the Company shall promptly deliver to the Trustee a certificate executed by an officer of the Company who may execute a Company Order to that effect and stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable pursuant to the terms of the Registration Rights Agreement. Unless and until a Responsible Officer of the Trustee receives such a certificate, the Trustee may assume without inquiry that no Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to such Additional Interest, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

Section 6.11. *Stay, Extension and Usury Laws.* The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Company from paying all or any portion of the principal of or interest, on the Securities as contemplated herein, wherever enacted, now or at any time hereafter

in force, or which may affect the covenants or the performance of this Indenture; and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.12. *Further Instruments and Acts.* Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 6.13. *Commission Filings and Reports.* The Company covenants to comply with Section 314(a) of the Trust Indenture Act as it relates to reports, information and documents that the Company may be required to file with the Trustee pursuant to such Section 314(a) and with the Commission pursuant to Section 13 or 15(d) of the Exchange Act or otherwise by the Exchange Act, the Trust Indenture Act or other rules and regulations of the Commission and to file such reports, information and documents with the Trustee within 30 days after the same is required to be filed with the Commission; *provided* that in each case the delivery of materials to the Trustee by electronic means or filing of documents pursuant to the Commission's "EDGAR" system (or any successor electronic filing system) shall be deemed to constitute "filing" with the Trustee for purposes of this Section 6.13. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 6.14. *Tax Treatment of the Securities.* The Company agrees, and by acceptance of a beneficial ownership interest in the Securities each Holder of Securities will be deemed to have agreed, for United States federal income tax purposes, (a) to treat the Securities as indebtedness of the Company subject to United States Treasury regulations section 1.1275-4 (the "**Contingent Debt Regulations**") and, for purposes of the Contingent Debt Regulations, to treat the fair market value of any Common Stock beneficially received by a Holder upon any conversion of the Securities as a contingent payment, (b) to be bound by the Company's determination of the "comparable yield" and "projected payment schedule," within the meaning of the Contingent Debt Regulations, with respect to the Securities and (c) to use such "comparable yield" and "projected payment schedule" in determining interest accruals with respect to such Holder's Securities and in determining adjustments thereto. A Holder of Securities may obtain the issue price, issue date, yield to maturity, comparable yield and the projected payment schedule by submitting a written request for such information to: VeriSign, Inc., 487 East Middlefield Road, Mountain View, CA 94043, Attention: Treasurer, with a copy to VeriSign, Inc., 487 East Middlefield Road, Mountain View, CA 94043, Attention: General Counsel.

ARTICLE 7
REDEMPTION

Section 7.01. *Right to Redeem; Notices to Trustee.* (a) The Securities may be redeemed in whole or in part at the option of the Company on or after August 15, 2017, if the Last Reported Sale Price of the Company's Common Stock has been greater than or equal to 150% of Conversion Price then in effect for at least 20 Trading Days during any 30 consecutive Trading Day period prior to the date on which the Company provides notice of redemption. Prior to August 15, 2017, the Securities will not be redeemable.

(b) The redemption price at which the Securities are redeemable (the "**Redemption Price**") shall be payable in cash and shall be equal to 100% of the Principal Amount of Securities being redeemed, together with accrued and unpaid Interest to, but excluding, the Redemption Date; *provided, however*, that if Securities are redeemed on any Interest Payment Date, the Interest payable in respect of such Interest Payment Date shall be payable to the Holders of record as of the corresponding Record Date.

(c) The Company may not redeem any Securities unless all accrued and unpaid Interest thereon has been or is simultaneously paid for all semi-annual periods or portions thereof terminating prior to the Redemption Date. In addition, the Company may not redeem any Securities or deliver to any Holder of Securities a notice of redemption pursuant to Section 7.03 during any Extension Period or at any time when there exists any accrued and unpaid Deferred Interest.

(d) Except as provided in this Section 7.01, the Securities shall not be redeemable by the Company.

Section 7.02. *Selection of Securities to Be Redeemed.* If less than all the Securities are to be redeemed, the Trustee shall select the Securities to be redeemed pro rata or by lot or by any other method the Trustee considers fair and appropriate (so long as such method is not prohibited by the rules of the Nasdaq Global Select Market or any stock exchange on which the Securities are then listed, as applicable). The Trustee shall make the selection within 7 days from its receipt of the notice from the Company delivered pursuant to Section 7.03 from Outstanding Securities not previously called for redemption.

Securities and portions of them the Trustee selects shall be in Principal Amounts of \$1,000 or integral multiples of \$1,000. Provisions of this Indenture that apply to Securities called for redemption in whole also apply to Securities called for redemption in part. The Trustee shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted during a selection of Securities to be redeemed may be treated by the Trustee as outstanding for the purpose of such selection.

Section 7.03. *Notice of Redemption.* Not less than 45 days but not more than 75 days before a Redemption Date, the Company shall mail a notice of redemption by first-class mail, postage prepaid, to the Trustee, the Paying Agent and each Holder of Securities to be redeemed; *provided, however* that the Company may not deliver any such notice to any Holder of Securities during any Extension Period or at any time when there exists any accrued and unpaid Deferred Interest.

The notice shall specify the Securities to be redeemed and shall state:

- (i) the Redemption Date;
 - (ii) the Redemption Price;
 - (iii) the Conversion Price;
 - (iv) the name and address of the Paying Agent and Conversion Agent;
 - (v) that Securities called for redemption may be converted at any time before the close of business on the Business Day immediately preceding the Redemption Date;
 - (vi) that Holders who want to convert Securities must satisfy the requirements set forth therein and in this Indenture;
 - (vii) that Securities called for redemption must be surrendered to the Paying Agent for cancellation to collect the Redemption Price;
 - (viii) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers (if such Securities are held other than in global form) and Principal Amounts of the particular Securities to be redeemed;
 - (ix) that, unless the Company defaults in making payment of such Redemption Price, Interest will cease to accrue on and after the Redemption Date;
- and
- (x) the CUSIP number of the Securities.

At the Company's written request delivered at least 15 days prior to the date such notice is to be given (unless a shorter time period shall be acceptable to the Trustee), the Trustee shall give the notice of redemption to each Holder of Securities to be redeemed in the Company's name and at the Company's expense.

Section 7.04. *Effect of Notice of Redemption.* Once notice of redemption is given, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price stated in the notice except for Securities that are converted in accordance with the terms of this Indenture. Upon surrender to the Paying Agent, such Securities shall be paid at the Redemption Price stated in the notice.

Section 7.05. *Deposit of Redemption Price.* Prior to 10:00 a.m., New York City time, on a Redemption Date, the Company shall deposit with the Paying Agent (or if the Company or a Subsidiary or an Affiliate of either of them is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the Redemption Price of all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption which on or prior thereto have been delivered by the Company to the Trustee for cancellation or have been converted. The Paying Agent shall as promptly as practicable return to the Company any money not required for that purpose because of conversion of Securities pursuant to Article 9. If such money is then held by the Company in trust and is not required for such purpose it shall be discharged from such trust.

Section 7.06. *Securities Redeemed in Part.* Upon surrender of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Security in an authorized denomination equal in principal amount to the unredeemed portion of the Security surrendered.

Section 7.07. *No Requirement to Register.* The Company shall not be required to (i) issue, register the transfer of, or exchange any Securities during a period of 15 days before the Redemption Date or (ii) register the transfer of, or exchange any, Securities so selected for redemption, in whole or in part, except the unredeemed portion of any Security being redeemed in part.

ARTICLE 8
FUNDAMENTAL CHANGES AND REPURCHASES THEREUPON

Section 8.01. *Repurchase at Option of Holders Upon a Fundamental Change.*

(a) *Generally.* If a Fundamental Change occurs at any time, then each Holder shall have the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Securities or any portion thereof that is a multiple of \$1,000 Principal Amount, on a Business Day (the "**Fundamental**

Change Repurchase Date”) specified by the Company that is not less than 20 nor more than 35 calendar days after the date of the Fundamental Change Company Notice (as defined below) at a repurchase price equal to 100% of the Principal Amount thereof, together with accrued and unpaid Interest thereon to, but excluding, the Fundamental Change Repurchase Date (the “**Fundamental Change Repurchase Price**”); *provided, however* that if Securities are repurchased pursuant to this Section 8.01 on any date between a Record Date and the Interest Payment Date to which such Record Date relates, the Interest payable in respect of such Interest Payment Date shall be payable to the Holders of record as of such Record Date.

Repurchases of Securities under this Section 8.01, at the option of the Holder thereof, shall be made upon:

(i) delivery to the Trustee (or other Paying Agent appointed by the Company) by a Holder, prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, of a duly completed notice (the “**Fundamental Change Repurchase Notice**”) in the form set forth on the reverse of the Securities prior to the close of business on the Fundamental Change Repurchase Date; and

(ii) delivery or book-entry transfer of the Securities to the Trustee (or other Paying Agent appointed by the Company) on or before the Business Day immediately preceding the Fundamental Change Repurchase Date (together with all necessary endorsements) at the applicable Corporate Trust Office of the Trustee (or other Paying Agent appointed by the Company) in the Borough of Manhattan, such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor; *provided* that such Fundamental Change Repurchase Price shall be so paid pursuant to this Section 8.01 only if the Securities so delivered to the Trustee (or other Paying Agent appointed by the Company) shall conform in all respects to the description thereof in the related Fundamental Change Repurchase Notice.

The Fundamental Change Repurchase Notice shall state:

- (A) if certificated, the certificate numbers of Securities to be delivered for repurchase;
- (B) the portion of the Principal Amount of Securities to be repurchased, which must be \$1,000 or an integral multiple thereof; and
- (C) that the Securities are to be repurchased by the Company pursuant to the applicable provisions of the Securities and the Indenture.

Any purchase by the Company contemplated pursuant to the provisions of this Section 8.01 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Fundamental Change Repurchase Date and the time of the book-entry transfer or delivery of the Securities.

Notwithstanding anything herein to the contrary, any Holder delivering to the Trustee (or other Paying Agent appointed by the Company) the Fundamental Change Repurchase Notice contemplated by this Section 8.01 shall have the right to withdraw such Fundamental Change Repurchase Notice at any time prior to the close of business on the Business Day prior to the Fundamental Change Repurchase Date by delivery of a written notice of withdrawal to the Trustee (or other Paying Agent appointed by the Company) in accordance with Section 8.03 below.

The Trustee (or other Paying Agent appointed by the Company) shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

(b) *Fundamental Change Company Notice.* On or before the 20th Business Day after the occurrence of a Fundamental Change, the Company shall provide to all Holders of record of the Securities and the Trustee and Paying Agent a notice (the “**Fundamental Change Company Notice**”) of the occurrence of such Fundamental Change and of the repurchase right at the option of the Holders arising as a result thereof. Such mailing shall be by first class mail. Simultaneously with providing such Fundamental Change Company Notice, the Company shall publish a notice containing the information included therein once in a newspaper of general circulation in The City of New York or publish such information on the Company’s website or through such other public medium as the Company may use at such time.

Each Fundamental Change Company Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;
- (iii) the last date on which a Holder may exercise the repurchase right;
- (iv) the Fundamental Change Repurchase Price;
- (v) the Fundamental Change Repurchase Date;
- (vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;

(vii) if applicable, the applicable Conversion Rate and any adjustments to the applicable Conversion Rate;

(viii) if applicable, that the Securities with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with Section 8.03; and

(ix) the procedures that Holders must follow to require the Company to repurchase their Securities.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Securityholders' repurchase rights or affect the validity of the proceedings for the repurchase of the Securities pursuant to this Section 8.01.

(c) *No Payment During Events of Default or Payment Blockage.* There shall be no repurchase of any Securities pursuant to this Section 8.01 if there has occurred (prior to, on or after, as the case may be, the giving, by the Holders of such Securities, of the required Fundamental Change Repurchase Notice) and is continuing an Event of Default (other than a default that is cured by the payment of the Fundamental Change Repurchase Price with respect to such Securities) or if the repurchase of Securities is subject to blockage due to the provisions of Article 5 hereof. The Paying Agent will promptly return to the respective Holders thereof any Securities (i) with respect to which a Fundamental Change Repurchase Notice has been withdrawn in compliance with this Indenture, (ii) held by it during the continuance of an Event of Default (other than a default that is cured by the payment of the Fundamental Change Repurchase Price with respect to such Securities) or (iii) during such payment blockage period, in which case, upon such return, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn. Notwithstanding the foregoing, within thirty days after the Event of Default is cured or waived and, there is no payment blockage pursuant to Article 5, the Company shall provide to all Holders, the Trustee and Paying Agent a new Fundamental Change Company Notice, indicating that such Event of Default has been cured or waived, and/or such payment blockage period expired, as applicable, and establishing a new Fundamental Change Repurchase Date, in which event Holders shall be entitled to deliver (or re-deliver) a Fundamental Change Repurchase Notice with respect thereto.

(d) *Payment of Fundamental Change Repurchase Price.* The Securities to be repurchased pursuant to this Section 8.01 shall be paid for in cash.

Section 8.02. *Effect of Fundamental Change Repurchase Notice.* Upon receipt by the Paying Agent of the Fundamental Change Repurchase Notice specified in Section 8.01(a), the Holder of the Security in respect of which such Fundamental Change Repurchase Notice was given shall (unless such Fundamental Change Repurchase Notice is withdrawn as specified in the

following two paragraphs) thereafter be entitled to receive solely the Fundamental Change Repurchase Price with respect to such Security. Such Fundamental Change Repurchase Price shall be paid to such Holder, subject to receipt of funds by the Paying Agent, promptly following the later of (x) the Fundamental Change Repurchase Date with respect to such Security (*provided* the conditions in Section 8.01(a) have been satisfied) and (y) the time of delivery of such Security to the Paying Agent by the Holder thereof in the manner required by Section 8.01(a).

Section 8.03. *Withdrawal of Fundamental Change Repurchase Notice.* A Fundamental Change Repurchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the Paying Agent in accordance with the Fundamental Change Company Notice at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

- (i) the Principal Amount of the Securities with respect to which such notice of withdrawal is being submitted;
- (ii) if Physical Securities have been issued, the certificate numbers of the withdrawn Securities; and
- (iii) the Principal Amount, if any, of such Securities that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000;

provided, however, that if the Securities are not Physical Securities, the notice must comply with appropriate procedures of the Depository.

Section 8.04. *Deposit of Fundamental Change Repurchase Price.* Prior to 10:00 a.m. (local time in The City of New York) on the Fundamental Change Repurchase Date, the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, shall segregate and hold in trust as provided herein) an amount of money (in immediately available funds if deposited on such Business Day) sufficient to pay the Fundamental Change Repurchase Price, of all the Securities or portions thereof that are to be repurchased as of the Fundamental Change Repurchase Date. The Company shall promptly notify the Trustee in writing of the amount of any deposits of cash made pursuant to this Section 8.04. If the Paying Agent holds cash sufficient to pay the Fundamental Change Repurchase Price of any Security for which a Fundamental Change Repurchase Notice has been tendered and not withdrawn in accordance with this Indenture as of the close of business on the Business Day prior to the Fundamental Change Repurchase Date, then immediately following the Fundamental Change Repurchase Date, (a) such Security will cease to be outstanding and Interest will cease to accrue thereon and (b) all other rights of the Holder in respect thereof will terminate (other than the right to receive the Fundamental Change Repurchase Price and previously accrued and unpaid Interest upon delivery or transfer of such Security).

Section 8.05. *Securities Repurchased in Whole or in Part.* Any Security that is to be repurchased, whether in whole or in part, shall be surrendered at the office of the Paying Agent (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder in aggregate Principal Amount equal to, and in exchange for, the portion of the Principal Amount of the Security so surrendered which is not repurchased.

Section 8.06. *Covenant to Comply With Securities Laws Upon Repurchase of Securities.* In connection with any offer to repurchase Securities under Section 8.01 (*provided* that such offer or repurchase constitutes an "issuer tender offer" for purposes of Rule 13e-4 (which term, as used herein, includes any successor provision thereto) under the Exchange Act at the time of such offer or repurchase), the Company shall (i) comply with Rule 13e-4 and Rule 14e-1 under the Exchange Act, (ii) file the related Schedule TO (or any successor schedule, form or report) under the Exchange Act, and (iii) otherwise comply with all Federal and state securities laws so as to permit the rights and obligations under Section 8.01 to be exercised in the time and in the manner specified in Section 8.01.

Section 8.07. *Repayment to the Company.* The Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed, together with interest or dividends, if any, thereon, held by them for the payment of the Fundamental Change Repurchase Price; *provided* that to the extent that the aggregate amount of cash deposited by the Company pursuant to Section 8.04 exceeds the aggregate Fundamental Change Repurchase Price of the Securities or portions thereof which the Company is obligated to repurchase as of the Fundamental Change Repurchase Date, then as soon as practicable following the Fundamental Change Repurchase Date, the Trustee or the Paying Agent, as the case may be, shall return any such excess to the Company.

Section 8.08. *Purchase by Third Party.* Notwithstanding the foregoing provisions of this Article 8, the Company shall not be required to issue a Fundamental Change Company Notice upon a Fundamental Change (i) if a third party issues a Fundamental Change Company Notice in the manner, at the times and otherwise in compliance with the requirements set forth in Section 8.01(b) applicable to a Fundamental Change Company Notice made by the Company and otherwise complies with the provisions of this Article 8 as if it were the Company, and (ii) purchases and pays for all Securities validly tendered and not withdrawn pursuant to such Fundamental Change Company Notice.

ARTICLE 9
CONVERSION

Section 9.01. *Right to Convert.* (a) Subject to and upon compliance with the provisions of this Indenture, each Holder shall have the right, at such Holder's option, at any time following the Issue Date of the Securities hereunder through the close of business on the Business Day immediately prior to the Stated Maturity to convert the Principal Amount of any such Securities, or any portion of such Principal Amount which is \$1,000 or an integral multiple thereof at a rate ("**Conversion Rate**") then in effect, (x) on or after May 15, 2037, without regard to the conditions described in clauses (i) through (v) below and (y) prior to May 15, 2037, only upon the satisfaction of any of the following conditions:

(i) A Holder may surrender all or a portion of its Securities for conversion during any fiscal quarter (and only during such fiscal quarter) commencing after December 31, 2007 if the Last Reported Sale Price for the Common Stock for at least 20 Trading Days during the period of 30 consecutive Trading Days ending on the last Trading Day of the preceding fiscal quarter is greater than or equal to 130% of the Conversion Price in effect on such last Trading Day.

(ii) A Holder may surrender its Securities for conversion during the five Business Day period after any 10 consecutive Trading Day period (the "**Measurement Period**") in which the Trading Price per \$1,000 principal amount of Securities, as determined following a request by a Holder in accordance with the procedures set forth in this Section 9.01(a)(ii), for each day of such period was less than 98% of the product of the Last Reported Sale Price of the Common Stock and the applicable Conversion Rate ("**Trading Price Condition**"). For purposes of this Section 9.01(a)(ii), if the Bid Solicitation Agent cannot reasonably obtain at least one bid for \$5,000,000 Principal Amount of Securities from an independent nationally recognized securities dealer as required by the definition of Trading Price, then the Trading Price per \$1,000 Principal Amount of Securities will be deemed to be less than 98% of the product of the Last Reported Sale Price of the Common Stock and the applicable Conversion Rate. If the Company does not instruct the Bid Solicitation Agent to obtain bids when required, the trading price per \$1,000 principal amount of the debentures will be deemed to be less than 98% of the product of the Last Reported Sale Price on each day that the Company fails to do so. In connection with any conversion in accordance with this Section 9.01(a)(ii), the Bid Solicitation Agent shall have no obligation to determine the Trading Price of the Securities unless requested by the Company; and the Company shall have no obligation to make such request unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Securities would be less than 98% of the product of the Last Reported Sale Price of the Common Stock and the applicable Conversion Rate. Promptly after receiving such

evidence, the Company shall instruct the Bid Solicitation Agent to determine the Trading Price of the Securities beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Securities is greater than or equal to 98% of the product of the Last Reported Sale Price of the Common Stock and the applicable Conversion Rate. If and when the Trading Price per \$1,000 principal amount of Securities, for each day of the Measurement Period is less than 98% of the product of the Last Reported Sale Price of the Common Stock and the applicable Conversion Rate, the Company will notify the Holders. If at anytime thereafter, the Trading Price per \$1,000 Principal Amount of Securities is greater than 98% of the product of the Last Reported Sale Price of the Common Stock and the Conversion Rate for such date, the Company will also notify the Holders.

(iii) A Holder may surrender its Securities for conversion if the Company calls such Securities for redemption as provided in Article 7, at any time prior to the close of business on the Trading Day immediately preceding the Redemption Date, even if the Securities are not otherwise convertible at such time, after which time the Holder's right to convert its Securities pursuant to this Section 9.01(a)(iii) will expire unless the Company defaults in the payment of the Redemption Price.

(iv) In the event that the Company elects to:

(A) distribute to all or substantially all holders of Common Stock rights entitling them to purchase, for a period expiring within 60 days after the date of the distribution, shares of Common Stock at less than the average of the Last Reported Sale Prices of a share of Common Stock for the 10 consecutive Trading Day period ending on the Trading Day preceding the announcement of such issuance; or

(B) distribute to all or substantially all holders of Common Stock assets of the Company, debt securities or rights to purchase securities of the Company, which distribution has a per share value, as determined by the Company's Board of Directors in good faith, exceeding 10% of the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the declaration date for such distribution,

then, in each case, the Company shall notify the Holders, in the manner provided in Section 1.06, at least 25 Scheduled Trading Days prior to the Ex Date for such distribution. Once the Company has given such notice, Holders may surrender Securities for conversion at any time until the earlier of 5:00 p.m., New York City time, on the Business Day immediately prior to such Ex Date or the Company's announcement that such distribution will not take place, even if the Securities are not otherwise convertible at such time.

(v)(A) If the Company is party to a transaction described in clause (2) of the definition of Fundamental Change (without giving effect to the proviso set forth in the definition thereof relating to Publicly Traded Securities), the Company shall notify Holders, in the manner provided in Section 1.06, at least 35 Scheduled Trading Days prior to the anticipated effective date for such transaction. Once the Company has given such notice, Holders may surrender Securities for conversion at any time until 35 calendar days after the actual effective date of such transaction (or, if such transaction also constitutes a Fundamental Change, the related Fundamental Change Purchase Date); and

(B) If a Fundamental Change of the type described in clause (1), (3) or (4) of the definition thereof occurs, Holders may surrender Securities for conversion at any time beginning on the actual effective date of such Fundamental Change until and including the date that is 35 calendar days after the actual effective date of such transaction or, if earlier, until the related Fundamental Change Purchase Date.

(b) For purposes of this Section 9.01, and notwithstanding the definition contained in Section 1.01, the term “**Trading Day**” shall mean a day during which (A) trading in the Common Stock generally occurs on the principal U.S. national or regional securities exchange or market on which the Common Stock is listed or admitted for trading, (B) there is no Market Disruption Event and (C) a Last Reported Sale Price is available on the principal U.S. national or regional securities exchange or market on which the Common Stock is listed or admitted for trading. If the Common Stock (or other security for which a Last Reported Sale Price must be determined for purposes of this Section 9.01) is not listed or admitted for trading on a U.S. national or regional securities exchange or market, then, for purposes of this Section 9.01, “**Trading Day**” shall mean a Business Day.

(c) Notwithstanding the foregoing, a Security in respect of which a Holder has delivered a Fundamental Change Repurchase Notice exercising such Holder’s option to require the Company to repurchase such Security may be converted only if such notice of exercise is withdrawn in accordance with Article 8 hereof prior to the close of business on the Fundamental Change Repurchase Date.

Section 9.02. *Conversion Procedure.* (a) Each Security shall be convertible at the office of the Conversion Agent.

(b) In order to exercise the conversion right with respect to any interest in Global Securities, the Holder must complete the appropriate instruction form for conversion pursuant to the Depository’s book-entry conversion program, furnish appropriate endorsements and transfer documents if required by the Company or the Trustee or Conversion Agent, and pay the funds, if any, required

by this Section 9.02 and any transfer taxes if required pursuant to Section 9.08. In order to exercise the conversion right with respect to any Securities in certificated form, the Holder of any Physical Securities, the Holder of any such Securities to be converted, in whole or in part, shall:

- (i) complete, manually sign the conversion notice provided on the back of the Security (the “**Conversion Notice**”) or a facsimile of the conversion notice and deliver such notice to the Conversion Agent;
- (ii) surrender the Security to the Conversion Agent;
- (iii) if required, furnish appropriate endorsements and transfer documents,
- (iv) make any payment required under Section 9.03(d) and
- (v) if required, pay any transfer or similar tax that may be applicable to such conversion.

The date on which the Holder satisfies all of the applicable requirements set forth above is the “**Conversion Date.**”

(c) Each Conversion Notice shall state the name or names (with address or addresses) in which any certificate or certificates for shares of Common Stock which shall be issuable on such conversion shall be issued. All such Securities surrendered for conversion shall, unless the shares issuable on conversion are to be issued in the same name as the registration of such Securities, be duly endorsed by, or be accompanied by instruments of transfer in form satisfactory to the Company duly executed by, the Holder or his duly authorized attorney.

(d) Subject to compliance with any restrictions on transfer if shares issuable on conversion are to be issued in a name other than that of the Holder (as if such transfer were a transfer of the Securities (or portion thereof) so converted), the Company shall issue and shall deliver to such Holder at the office of the Conversion Agent, a check or cash and/or a certificate or certificates for the number of full shares of Common Stock issuable in accordance with the provisions of this Article 9, (1) on the third Business Day immediately following the relevant Conversion Date, if the Company elects to satisfy its conversion obligation solely in shares of Common Stock; *provided*, that in the event it is necessary to delay the issuance and delivery of Common Stock to take account of any conversion rate adjustment pursuant to Section 9.04(c) or 9.04(e) where conversion has occurred within the 10 Trading Days following, and including, the effective date of the event giving rise to such conversion rate adjustment, the issuance of delivery of Common Stock shall be so delayed or (2) on the third Business Day immediately following the last day of the Observation Period, if the Company elects another Settlement Method (as defined below). In case any Securities of a denomination greater than \$1,000 shall be surrendered for partial conversion, the Company shall execute and the Trustee shall authenticate and

deliver to the Holder of the Securities so surrendered, without charge to him, new Securities in authorized denominations in an aggregate Principal Amount equal to the unconverted portion of the surrendered Securities.

Each conversion shall be deemed to have been effected as to any such Securities (or portion thereof) on the date on which the requirements set forth above in this Section 9.02 have been satisfied as to such Securities (or portion thereof), and the Person in whose name any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become on said date the Holder of record of the shares represented thereby; *provided, however*, that in case of any such surrender on any date when the stock transfer books of the Company shall be closed, the Person or Persons in whose name the certificate or certificates for such shares are to be issued shall be deemed to have become the record Holder thereof for all purposes on the next day on which such stock transfer books are open, but such conversion shall be at the Conversion Price in effect on the date upon which such Securities shall be surrendered.

(e) Upon the conversion of an interest in Global Securities, the Trustee shall make a notation on such Global Securities as to the reduction in the Principal Amount represented thereby. The Company shall notify the Trustee in writing of any conversions of Securities effected through any Conversion Agent other than the Trustee.

(f) Each stock certificate representing Common Stock issued upon conversion of the Securities that are Restricted Securities shall bear the legend in substantially the form of Exhibit C hereto.

Section 9.03. *Payments Upon Conversion.* (a) Upon any conversion of any Security, the Company shall deliver to converting Holders, in respect of each \$1,000 Principal Amount of Securities being converted, either solely cash, solely shares of Common Stock or a combination of cash and Common Stock (the “**Settlement Amount**”).

(i) All conversions after May 15, 2037 will be settled using the same Settlement Method. If the Company has not delivered a notice of its election of a Settlement Method (the “**Settlement Notice**”) prior to May 15, 2037, the Settlement Method for conversions after May 15, 2037 shall be Net Share Settlement.

(ii) Prior to May 15, 2037, the Company will use the same Settlement Method for all conversions occurring on any given Trading Day. Except for any conversions that occur either (1) during the period between a notice of redemption and the related Redemption Date, or (2) on or after May 15, 2037, the Company need not use the same Settlement Method with respect to conversions that occur on different Trading Days.

(iii) If the Company elects to deliver a Settlement Notice, the Company, through the Trustee, shall deliver to the Settlement Notice to Holders that are converting no later than the second Trading Day immediately following the related Conversion Date.

(b) The Settlement Amount shall be computed as follows:

(i) If the Company elects to satisfy its conversion obligation solely in Common Stock, the Company will deliver a number of shares of Common Stock equal to (1) the aggregate Principal Amount of Securities to be converted divided by \$1,000, multiplied by (2) the applicable Conversion Rate;

(ii) If the Company elects to satisfy its conversion obligation solely in cash, the Company shall deliver cash in an amount equal to the sum of the Daily Conversion Values for each of the 30 Trading Days during the related Observation Period; and

(iii) If the Company elects to satisfy its conversion obligation through delivery of a combination of cash and shares of Common Stock, the Company shall deliver in respect of each \$1,000 Principal Amount of Securities being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the 30 Trading Days during the Observation Period for such Security. The **“Daily Settlement Amount”** for each of the 30 Trading Days during the Observation Period shall consist of:

(A) cash equal to the lesser of (x) the dollar amount per \$1,000 Principal Amount of Security specified in the Settlement Notice, if any (the **“Specified Dollar Amount”**), divided by 30 (such quotient being referred to as the **“Daily Measurement Value”**) and (y) the Daily Conversion Value, and

(B) to the extent the Daily Conversion Value exceeds the Daily Measurement Value, a number of shares of Common Stock (**“Daily Share Amount”**) equal to (x) the difference between the Daily Conversion Value and the Daily Measurement Value, divided by (y) the Daily VWAP;

“Net Share Settlement” means the Settlement Method in which the Specified Dollar Amount is \$1,000.

(c) Upon conversion, Holders shall not receive any separate cash payment for accrued and unpaid Interest, unless such conversion occurs between a Record Date and the Interest Payment Date to which it relates.

(d) If Securities are converted after 5:00 p.m., New York City time, on a Record Date for the payment of interest, Holders of such Securities at 5:00 p.m.,

New York City time, on such Record Date will receive the Interest payable on such Securities on the corresponding Interest Payment Date notwithstanding the conversion. Securities surrendered for conversion during the period from 5:00 p.m., New York City time, on any Record Date to 9:00 a.m., New York City time, on the immediately following Interest Payment Date, must be accompanied by funds equal to the amount of Interest payable on the Securities so converted; *provided* that no such payment need be made (i) if the Company has specified a Redemption Date in respect of the Securities that is after a Record Date and on or prior to the corresponding Interest Payment Date; (ii) if the Company has specified a Fundamental Change Repurchase Date in respect of the Securities that is after a Record Date and on or prior to the corresponding Interest Payment Date; (iii) in respect of any conversion which occurs after the Record Date for the interest payment due on August 15, 2037 or (iv) to the extent of any Deferred Interest, Compounded Interest or overdue Interest, if any such amounts exist at the time of conversion with respect to such Security.

(e) The Company shall not issue fractional shares of Common Stock upon conversion of Securities. If multiple Securities shall be surrendered for conversion at one time by the same Holder, the number of full shares which shall be issuable upon conversion shall be computed on the basis of the aggregate Principal Amount of the Securities (or specified portions thereof to the extent permitted hereby) so surrendered. If any fractional share of stock would be issuable upon the conversion of any Securities, the Company shall make payment therefor in cash equal to the fraction of a share of Common Stock otherwise issuable multiplied by the Daily VWAP for the final Trading Day of the applicable Observation Period.

Section 9.04. *Adjustment of Conversion Rate.* The Conversion Rate shall be adjusted from time to time by the Company if any of the following events occur, except that the Company will not make any adjustment if Holders of Securities may participate, as a result of holding the Securities, in the transactions described without having to convert their Securities:

(a) If the Company, at any time or from time to time while any of the Securities are outstanding, issues shares of its Common Stock as a dividend or distribution on shares of Common Stock and such dividend or distribution consists exclusively of shares of Common Stock, or if the Company effects a share split or share combination in respect of the Common Stock, then the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where

CR_0 = the Conversion Rate in effect immediately prior to the Ex Date of such dividend or distribution, or effective date of such share split or share combination, as applicable;

CR' = the Conversion Rate in effect immediately after the Ex Date or effective date;

OS_0 = the number of shares of Common Stock outstanding immediately prior the Ex Date or effective date; and

OS' = the number of shares of Common Stock outstanding immediately prior to the Ex Date or effective date after giving effect to such dividend, distribution, share split or share combination.

Such adjustment shall become effective immediately after the opening of business on the Business Day following the record date for such dividend or distribution, or the date fixed for determination for such share split or share combination. The Company will not pay any dividend or make any distribution on shares of Common Stock held in treasury by the Company. If any dividend or distribution of the type described in this Section 9.04(a) is declared but not so paid or made, or the outstanding shares of Common Stock are not subdivided or combined, as the case may be, the Conversion Rate shall again be adjusted to the Conversion Rate which would then be in effect if such dividend, distribution, subdivision or combination had not been declared.

(b) If the Company, at any time or from time to time while any of the Securities are outstanding, distributes to all or substantially all holders of its outstanding shares of Common Stock any rights or warrants or securities convertible into or exchangeable or exercisable for Common Stock entitling them for a period of not more than 60 calendar days to subscribe for, purchase or convert into shares of Common Stock at a price per share or having a conversion, exchange or exercise price per share, in each case, less than the average of the Last Reported Sale Prices of Common Stock for the 10 consecutive Trading Day period ending on the Business Day immediately preceding the date of announcement of such issuance, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

- where
- CR₀ = the Conversion Rate in effect immediately prior to the Ex Date for such issuance;
 - CR' = the Conversion Rate in effect immediately after the Ex Date for such issuance;
 - OS₀ = the number of shares of Common Stock outstanding immediately after the Ex Date for such issuance;
 - X = the total number of shares of Common Stock issuable pursuant to such rights, warrants or convertible securities; and
 - Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights or warrants or to convert such convertible securities divided by the average of the Last Reported Sale Prices of Common Stock for the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement of the issuance of such rights, warrants or convertible securities.

Such adjustment shall be successively made whenever any such rights, warrants or convertible securities are issued and shall become effective immediately after 9:00 a.m., New York City time, on the Business Day immediately preceding the date of announcement of such issuance. To the extent that shares of Common Stock are not delivered pursuant to such rights, warrants or convertible securities upon the expiration or termination of such rights, warrants or convertible securities, the Conversion Rate shall be readjusted to the Conversion Rate which would then be in effect had the adjustments made upon the issuance of such rights, warrants or convertible securities been made on the basis of the delivery of only the number of shares of Common Stock actually delivered. In the event that such rights, warrants or convertible securities are not so issued, the Conversion Rate shall again be adjusted to be the Conversion Rate which would then be in effect if the announcement with respect to such rights, warrants or convertible securities had not been made. In determining whether any rights, warrants or convertible securities entitle the holders to subscribe for, purchase or convert into shares of Common Stock at less than the average of the Last Reported Sale Prices of Common Stock for the 10 consecutive Trading Day period ending on the Business Day immediately preceding the date of announcement of such issuance, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such

rights, warrants or convertible securities and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined in good faith by the Board of Directors of the Company.

Rights, warrants or convertible securities distributed by the Company to all holders of Common Stock entitling the holders thereof to subscribe for, purchase or convert into shares of the Company's Capital Stock (either initially or under certain circumstances), which rights, warrants or convertible securities, until the occurrence of a specified event or events ("**Trigger Event**"): (x) are deemed to be transferred with such shares of Common Stock; (y) are not exercisable; and (z) are also issued in respect of future issuances of Common Stock, shall be deemed not to have been distributed for purposes of this Section 9.04(b) (and no adjustment to the Conversion Rate under this Section 9.04(b) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, warrants and convertible securities shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 9.04(b). If any such right, warrant or convertible security, including any such existing rights, warrants or convertible securities distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, warrants or convertible securities become exercisable to purchase different securities, evidences of Indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and record date with respect to new rights, warrants or convertible securities with such rights (and a termination or expiration of the existing rights or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, warrants or convertible securities, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 9.04(b) was made, (1) in the case of any such rights, warrants or convertible securities that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights, warrants or convertible securities (assuming such holder had retained such rights, warrants or convertible securities), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights, warrants or convertible securities that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, warrants and convertible securities had not been issued.

(c) In case the Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock shares of any class of Capital Stock of the Company, evidences of its Indebtedness or other assets or property of the Company (including securities, but excluding dividends and distributions and

rights, warrants or convertible securities covered by Section 9.04(a), Section 9.04(b), Section 9.04(e) (for which an adjustment is made to the conversion rate), Section 9.04(d) or distributions in a Spin-Off described below in this Section 9.04(c) (any of such shares of Capital Stock, Indebtedness, or other asset or property hereinafter in this Section 9.04(c) called the “**Distributed Property**”), then, in each such case the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where

- CR₀ = the Conversion Rate in effect immediately prior to the Ex Date for such distribution;
- CR' = the Conversion Rate in effect immediately after the Ex Date for such distribution;
- SP₀ = the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex Date for such distribution; and

FMV = the fair market value (as determined by the Company’s Board of Directors) of the shares of Capital Stock of the Company, evidences of Indebtedness, assets or property distributed with respect to each outstanding share of Common Stock on the Ex Date for such distribution.

Such adjustment shall become effective immediately prior to 9:00 a.m., New York City time, on the Business Day following the date fixed for the determination of stockholders entitled to receive such distribution. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such record date had not been fixed. If the Board of Directors of the Company determines the fair market value of any distribution for purposes of this Section 9.04(c) by reference to the actual or when issued trading market for any securities, it shall in doing so consider the prices in such market over the same period used in computing the average of the Last Reported Sale Prices of the Common Stock.

With respect to an adjustment pursuant to this Section 9.04(c) where there has been a payment of a dividend or other distribution on the Common Stock or shares of Capital Stock of the Company of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit (a “**Spin-Off**”), the Conversion Rate in effect immediately before 5:00 p.m., New York City time, on

the effective date of the Spin-Off shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where

CR_0 = the Conversion Rate in effect immediately prior to the effective date of the adjustment;

CR' = the Conversion Rate in effect immediately after the effective date of the adjustment;

FMV_0 = the average of the Last Reported Sale Prices of the Capital Stock of the Company or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Day period after, and including, the effective date of the Spin-Off; and

MP_0 = the average of the Last Reported Sale Prices of Common Stock over the first 10 consecutive Trading Day period after, and including, the effective date of the Spin-Off.

Such adjustment shall occur on the tenth Trading Day from, and including, the effective date of the Spin-Off; provided that in respect of any conversion within 10 Trading Days immediately following, and including, the effective date of any Spin-Off, the conversion rate adjustment on the tenth Trading Day will apply with settlement of the conversion delayed as necessary to take account of such adjustment.

For purposes of this Section 9.04(c), Section 9.04(a) and Section 9.04(b), any dividend or distribution to which this Section 9.04(c) is applicable that also includes shares of Common Stock, or rights, warrants or convertible securities to subscribe for, purchase or convert into shares of Common Stock to which Section 9.04(a) and/or 9.04(b) applies, shall be deemed instead to be (1) a dividend or distribution of the evidences of Indebtedness, assets or shares of Capital Stock other than such shares of Common Stock or rights, warrants or convertible securities to which Section 9.04(a) or 9.04(b) applies (and any Conversion Rate adjustment required by this Section 9.04(c) with respect to such dividend or distribution shall then be made) immediately followed by (2) a dividend or distribution of such shares of Common Stock or such rights, warrants or convertible securities to which Section 9.04(a) or 9.04(b) applies (and any further Conversion Rate adjustment required by Section 9.04(a) and 9.04(b) with respect to such dividend or distribution shall then be made), except (A) the Ex Date of such dividend or distribution shall be substituted for “the Ex Date,” “the Ex Date

or effective date,” “the day following the record date for such dividend or distribution, or the date fixed for determination for such share split or share combination,” “the Ex Date for such issuance” and “the date fixed for the determination of stockholders entitled to receive such rights and warrants” within the meaning of Section 9.04(a) and Section 9.04(b) and (B) any shares of Common Stock included in such dividend or distribution shall not be deemed “outstanding immediately prior to the Ex Date or effective date” within the meaning of Section 9.04(a).

(d) If a cash dividend or distribution is made to all or substantially all holders of Common Stock (other than (i) distributions described in Section 9.04(e) or (ii) an Extraordinary Dividend), the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where

CR_0 = the Conversion Rate in effect immediately prior to the Ex Date for such dividend or distribution;

CR' = the Conversion Rate in effect immediately after the Ex Date for such dividend or distribution;

SP_0 = the Last Reported Sale Prices of the Common Stock on the Trading Day immediately preceding the Ex Date for such dividend or distribution; and

C = the amount in cash per share the Company distributes to holders of Common Stock.

Such adjustment shall become effective immediately after 5:00 p.m., New York City time, on the record date for such dividend or distribution. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

For the avoidance of doubt, for purposes of this Section 9.04(d), in the event of any reclassification of the Common Stock, as a result of which the Securities become convertible into more than one class of Common Stock, if an adjustment to the Conversion Rate is required pursuant to this Section 9.04(d), references in this Section to one share of Common Stock or Last Reported Sale Price of one share of Common Stock shall be deemed to refer to a unit or to the price of a unit consisting of the number of shares of each class of Common Stock into which the Securities are then convertible equal to the numbers of shares of such class issued in respect of one share of Common Stock in such reclassification. The above provisions of this paragraph shall similarly apply to successive reclassifications.

(e) If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for all or any portion of the Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Last Reported Sale Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where

CR₀ = the Conversion Rate in effect immediately prior to the effective date of the adjustment;

CR' = the Conversion Rate in effect immediately after the effective date of the adjustment;

AC = the aggregate value of all cash and any other consideration (as determined by the Company's Board of Directors) paid or payable for shares purchased in such tender or exchange offer;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (including any shares purchased pursuant to the tender or exchange offer);

OS' = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (not including any shares purchased pursuant to the tender or exchange offer); and

SP' = the average of the Last Reported Sale Prices of Common Stock over the 10 consecutive Trading Day period commencing on the Trading Day next succeeding the date such tender or exchange offer expires,

The adjustment to the Conversion Rate under this Section 9.04(e) shall occur on the tenth Trading Day from, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided that in respect of any conversion within 10 Trading Days immediately following, and

including, the trading day next succeeding the date such tender or exchange offer expires, the conversion rate adjustment on the tenth trading day will apply with settlement of the conversion delayed as necessary to take account of such adjustment.

If the Company is obligated to repurchase shares pursuant to any such tender or exchange offer, but the Company is permanently prevented by applicable law from effecting any such purchases or all such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made.

(f) For purposes of this Section 9.04 the term “**record date**” shall mean, with respect to any dividend, distribution or other transaction or event in which the holders of Common Stock have the right to receive any cash, securities or other property or in which the Common Stock (or other applicable security) is exchanged for or converted into any combination of cash, securities or other property, the date fixed for determination of stockholders entitled to receive such cash, securities or other property (whether such date is fixed by the Board of Directors or by statute, contract or otherwise).

(g) If application of the formulas provided in Section 9.04(a), 9.04(b), 9.04(c), 9.04(d) or 9.04(e) would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate shall be made except in the case of a share split or share combination.

(h) To the extent permitted by applicable law and subject to the applicable rules of the Nasdaq Global Select Market (if the Common Stock is then listed on the Nasdaq Global Select Market), the Company from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least 20 days if the Company’s Board of Directors determines that such increase would be in the Company’s best interest, which determination shall be conclusive. In addition, the Company may also (but is not required to) increase the Conversion Rate to avoid or diminish any income tax to holders of Common Stock or rights to purchase Common Stock in connection with any dividend or distribution of shares (or rights to acquire shares) or similar event. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall mail to the Holders of record of the Securities a notice of the increase at least fifteen days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(i) All calculations and other determinations under this Article 9 shall be made by the Company or its agents and shall be made to the nearest cent or to the nearest one-ten thousandth (1/10,000) of a share, as the case may be. No adjustment shall be made for the Company’s issuance of Common Stock or convertible or exchangeable securities or rights to purchase Common Stock or convertible or exchangeable securities, other than as provided in this Section 9.04.

No adjustment shall be made to the Conversion Rate unless such adjustment would require a change of at least 1% in the Conversion Rate then in effect at such time. Any adjustment that would otherwise be required to be made shall be carried forward and taken into account in any subsequent adjustment or in connection with any conversion of Securities.

(j) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee and any Conversion Agent an Officers' Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officers' Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which a Responsible Officer of the Trustee has actual knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Rate to each Holder at such Holder's last address appearing on the Security Register provided for in Section 3.05 of this Indenture, within 20 days of the effective date of such adjustment. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(k) In any case in which this Section 9.04 provides that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Holder of any Securities converted after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such conversion by reason of the adjustment required by such event over and above the Common Stock issuable upon such conversion before giving effect to such adjustment and (ii) paying to such Holder any amount in cash in lieu of any fraction pursuant to Section 9.03.

(l) For purposes of this Section 9.04, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company.

(m) Notwithstanding the foregoing, the Conversion Rate will not be adjusted: (i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan; (ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit

plan or program of or assumed by the Company or any Subsidiary; (iii) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (iii) and outstanding as of the date the Securities were first issued; (iv) for any dividend or distribution in connection with a merger, sale or conveyance effected solely for the purpose of changing the Company's jurisdiction of incorporation as permitted by the terms of the Indenture; (v) for a change in the par value of the Common Stock; or (vi) for accrued and unpaid Interest.

Section 9.05. *Adjustments of Average Prices.* Whenever a provision of the Indenture requires the calculation of an average of Last Reported Sale Prices or Daily VWAP over a span of multiple days, the Company will make appropriate adjustments to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex Date of the event occurs, at any time during the period from which the average is to be calculated.

Section 9.06. *Adjustments Upon Certain Fundamental Changes.* (a) If a Holder elects to convert Securities at any time from, and including, the effective date of a Make-Whole Fundamental Change to, and including the related Fundamental Change Repurchase Date, the Conversion Rate for such Securities shall be increased by an additional number of shares of Common Stock (the "**Additional Shares**") as described below. The Company will notify Holders of the anticipated effective date of any Make-Whole Fundamental Change and issue a press release as soon as practicable after the Company first determines the anticipated effective date of such Make-Whole Fundamental Change.

(b) The number of Additional Shares will be determined by reference to the table attached as Exhibit B hereto, based on the date on which the Make-Whole Fundamental Change occurs or becomes effective (the "**Effective Date**") and the price (the "**Stock Price**") paid per share of Common Stock in the Fundamental Change. If the Make-Whole Fundamental Change is a transaction described in clause (2) of the definition of Fundamental Change, and holders of Common Stock receive only cash in such Make-Whole Fundamental Change, the Stock Price shall be the cash amount paid per share. Otherwise, the Stock Price shall be the average of the Last Reported Sale Prices of Common Stock over the five Trading Day period ending on the Trading Day preceding the Effective Date of the Make-Whole Fundamental Change.

(c) The Stock Prices set forth in the column headings of the table in Exhibit B hereto shall be adjusted as of any date on which the Conversion Rate of the Securities is adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares set forth in such table will be adjusted in the same manner as the Conversion Rate as set forth in Section 9.04.

(d) The table in Exhibit B hereto sets forth the hypothetical stock price and the number of additional shares to be received per \$1,000 Principal Amount of Securities.

The exact Stock Prices and Effective Dates relating to a Fundamental Change may not be set forth in the table in Exhibit B, in which case:

(i) If the Stock Price is between two Stock Price amounts in the table or the Effective Date is between two Effective Dates in the table, the number of Additional Shares will be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two dates, as applicable, based on a 365-day year.

(ii) If the Stock Price is greater than \$98.00 per share (subject to adjustment in the same manner as the Conversion Rate as set forth in Section 9.04), no Additional Shares will be added to the Conversion Rate upon conversion.

(iii) If the Stock Price is less than \$28.64 per share (subject to adjustment in the same manner as the Conversion Rate as set forth in Section 9.04), no Additional Shares will be added to the Conversion Rate upon conversion.

Notwithstanding the foregoing, in no event will the total number of shares of Common Stock issuable upon conversion exceed 34.9162 shares of Common Stock per \$1,000 Principal Amount of Securities, subject to adjustments in the same manner as the Conversion Rate as set forth in Section 9.04.

(e) At the Company's option, in lieu of increasing the Conversion Rate as described in this Section 9.06 in the event of a Make-Whole Fundamental Change, the Company may elect to make a cash payment in respect of the Additional Shares. Such cash payment to any Holder electing to convert its Securities would be equal to the number of Additional Shares issuable upon conversion determined by reference to the table in Exhibit B multiplied by the effective share price of the transaction which constitutes a Make-Whole Fundamental Change. Any such election by the Company will be disclosed in the Fundamental Change Company Notice. Once this notice has been provided, the Company may not modify or withdraw its election.

(f) Additional Shares or cash or Reference Property in respect of Additional Shares will be delivered to Holders who elect to convert Securities in connection with a Make-Whole Fundamental Change on the later of (i) five days after the effectiveness of such Make-Whole Fundamental Change and (ii) the settlement date for the Securities set forth in Section 9.02(d).

Section 9.07. *Effect of Reclassification, Consolidation, Merger or Sale.* (a) If any of the following events occur:

(i) any reclassification or change of shares of Common Stock issuable upon conversion of the Securities (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination, or any other change for which an adjustment is provided in Section 9.04);

(ii) any consolidation, merger or combination of the Company with another Person as a result of which holders of Common Stock shall be entitled to receive cash, securities or other property or assets (including cash or any combination of the foregoing) with respect to or in exchange for such Common Stock; or

(iii) any sale, lease or other transfer of all or substantially all of the properties and assets of the Company and its Subsidiaries to any other Person as a result of which holders of Common Stock shall be entitled to receive stock, securities or other property or assets (including cash or any combination of the foregoing) with respect to or in exchange for such Common Stock,

then the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture (which shall comply with the Trust Indenture Act as in force at the date of execution of such supplemental indenture) providing that the Securities shall be convertible into the kind and amount of shares of stock, securities or other property or assets (including cash or any combination of the foregoing) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance (the "**Reference Property**") by a holder of a number of shares of Common Stock issuable upon conversion of such Securities (assuming, for such purposes, a sufficient number of authorized shares of Common Stock available to convert all such Securities) immediately prior to such reclassification, change, consolidation, merger, combination, sale or conveyance. However, at and after the effective time of such transaction, any amount otherwise payable in cash upon conversion of the Securities pursuant to Section 9.03 will continue to be payable in cash and the Daily Conversion Value will be calculated based on the value of the Reference Property. If the transaction causes Common Stock to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), the Reference Property into which the Securities will be convertible shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such election. Such supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article 9. If, in the case of any such reclassification, change, consolidation, merger, combination, sale or conveyance, the Reference Property receivable thereupon by a holder of Common Stock

includes shares of stock, securities or other property or assets (including cash or any combination of the foregoing) of a corporation other than the successor or purchasing corporation, as the case may be, in such reclassification, change, consolidation, merger, combination, sale or conveyance, then such supplemental indenture shall also be executed by such other corporation and shall contain such additional provisions to protect the interests of the Holders as the Board of Directors shall reasonably consider necessary by reason of the foregoing.

The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at the address of such Holder as it appears on the register of the Securities maintained by the Security Registrar, within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture. The above provisions of this Section shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales and conveyances.

(b) If a Holder elects to convert Securities in connection with a Make-Whole Fundamental Change pursuant to Section 9.06 that results in delivery of Reference Property to the Holders, any increase in the Conversion Rate by Additional Shares as set forth in Section 9.06 shall not be payable in shares of Common Stock, but shall represent a right to receive the aggregate amount of Reference Property into which the Additional Shares would convert in the transaction from the surviving entity (or an indirect or direct parent thereof).

(c) The Company shall not become a party to any such transaction unless its terms are consistent with this Section 9.07.

Section 9.08. *Taxes on Shares Issued.* Any issue of stock certificates on conversions of Securities shall be made without charge to the converting Holder for any documentary, stamp or similar issue or transfer tax in respect of the issue thereof, and the Company shall pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Securities pursuant hereto. The Company shall not, however, be required to pay any such tax which may be payable in respect of any transfer involved in the issue and delivery of Common Stock in any name other than that of the Holder, and any tax imposed by any taxing authority outside of the United States as a result of any action by the Holder, and the Company shall not be required to issue or deliver any such stock certificate unless and until the Person or Persons requesting the issue thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

Section 9.09. *Reservation of Shares; Shares to Be Fully Paid; Compliance with Governmental Requirements; Listing of Common Stock.* (a) The Company shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for the conversion of the Securities from time to time as such Securities

are presented for conversion (assuming that, at the time of the computation of such number of shares or securities, all such Securities would be held by a single Holder). Notwithstanding any other provision of this Article 9, in the event of any adjustment or increase to the Conversion Rate that would result in the Securities, in the aggregate, becoming convertible into a number of shares of Common Stock that exceeds the number permitted by applicable rules listing standards of the Nasdaq Global Select Market, if at that time the Common Stock is listed on the Nasdaq Global Select Market, the Company shall, at its option, either (i) obtain the approval of its stockholders regarding the issuance of such Common Stock or (ii) deliver cash in lieu of any shares of Common Stock other deliverable in excess of the number permitted to be delivered under such rules or listing standards, based on the Last Reported Sale Price of the Common Stock on the Trading Day immediately prior to the date when such Common Stock would otherwise be required to be distributed.

(b) Before taking any action which would cause an adjustment reducing the Conversion Rate below the then par value, if any, of the shares of Common Stock issuable upon conversion of the Securities, the Company will take all corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue shares of such Common Stock at such adjusted Conversion Rate.

The Company covenants that all shares of Common Stock issued upon conversion of Securities will be fully paid and non-assessable by the Company and free from all taxes, liens and changes with respect to the issue thereof.

(c) The Company covenants that, if any shares of Common Stock to be provided for the purpose of conversion of Securities hereunder require registration with or approval of any governmental authority under any federal or state law before such shares may be validly issued upon conversion, the Company will in good faith and as expeditiously as possible, to the extent then permitted by the rules and interpretations of the Commission (or any successor thereto), endeavor to secure such registration or approval, as the case may be.

(d) The Company further covenants that if at any time the Common Stock shall be listed on any other national securities exchange or automated quotation system the Company will, if permitted and required by the rules of such exchange or automated quotation system, list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, all Common Stock issuable upon conversion of the Securities.

Section 9.10. *Responsibility of Trustee.* The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate or whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be

employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Securities; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Securities for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article 9. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 9.07 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Securityholders upon the conversion of their Securities after any event referred to in such Section 9.07 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 12.01, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto.

Section 9.11. *Notice to Holders Prior to Certain Actions.* In case:

(a) the Company shall declare a dividend (or any other distribution) on its Common Stock that would require an adjustment in the Conversion Rate pursuant to Section 9.04; or

(b) the Company shall authorize the granting to the holders of all or substantially all of its Common Stock of rights or warrants to subscribe for or purchase any share of any class or any other rights or warrants; or

(c) of any reclassification or reorganization of the Common Stock of the Company (other than a subdivision or combination of its outstanding Common Stock, or a change in par value, or from par value to no par value, or from no par value to par value), or of any consolidation or merger to which the Company is a party and for which approval of any stockholders of the Company is required, or of the sale, lease or transfer of all or substantially all of the assets of the Company and its Subsidiaries; or

(d) of the voluntary or involuntary dissolution, liquidation or winding-up of the Company;

then, in each case, the Company shall cause to be filed with the Trustee and the Conversion Agent and to be mailed to each Securityholder at such Holder's address appearing on the Security Register, provided for in Section 3.05 of this Indenture, as promptly as possible but in any event at least 20 days prior to the

applicable date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution or rights or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution or rights are to be determined, or (y) the date on which such reclassification, consolidation, merger, sale, lease, transfer, dissolution, liquidation or winding-up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such dividend, distribution, reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up.

Section 9.12. *Stockholder Rights Plans.* Each share of Common Stock issued upon conversion of Securities pursuant to this Article 9 shall be entitled to receive the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any stockholder rights plan adopted by the Company, as the same may be amended from time to time. If at the time of conversion, however, the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights agreement so that the Holders of the Securities would not be entitled to receive any rights in respect of Common Stock issuable upon conversion of the Securities, the Conversion Rate will be adjusted at the time of separation as if the Company has distributed to all holders of Common Stock, shares of Capital Stock of the Company, evidence of Indebtedness or assets as provided in Section 9.04(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 9.13. *Exchange in Lieu of Conversion.*

- (a) If at any time when a Holder surrenders Securities for conversion prior to the Stated Maturity of the Securities the Company:
 - (i) has designated a financial institution (a “**Designated Institution**”) to accept such Securities in exchange for cash and/or shares of Common Stock, equal to the consideration due upon conversion as provided in Section 9.03; and
 - (ii) notifies the Holder surrendering such Securities for conversion by the second Trading Day after the Conversion Date, that it has directed the Designated Institution to make an exchange in lieu of conversion,

then, notwithstanding anything in this Indenture to the contrary, the Company may direct the Conversion Agent to surrender such Securities, on or prior to the commencement of the applicable Observation Period to the Designated Institution for exchange in lieu of conversion.

(b) If the Designated Institution accepts Securities surrendered for exchange, it shall notify the Conversion Agent whether it shall deliver, upon exchange, all cash, all shares of Common Stock or a combination of cash and shares of Common Stock and shall deliver such cash and/or shares of Common Stock, as specified in Section 9.03 to the Conversion Agent and the Conversion Agent shall deliver such cash and/or shares of Common Stock to the Holder, within the time period specified in Section 9.02(d), which delivery shall be deemed to satisfy the Company's conversion obligations under this Article 9 with respect to such Holder. Any Securities so exchanged by such Designated Institution shall remain Outstanding for all purposes under this Indenture.

(c) If the Designated Institution agrees to accept any Securities for exchange but does not timely deliver the related consideration to the Conversion Agent, or if the Designated Institution does not accept such Securities for exchange, the Company shall, within the time period specified in Section 9.02(d), convert such Securities into cash and/or shares of Common Stock, in accordance with the provisions of Section 9.02 and Section 9.03.

(d) For the avoidance of doubt, in no event will the Company's designation of a financial institution pursuant to this Section 9.13 require such financial institution to accept any Securities for exchange.

ARTICLE 10
EVENTS OF DEFAULT; REMEDIES

Section 10.01. *Events of Default.* "**Event of Default,**" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in any payment of Interest on any Securities when due and payable and such default continues for a period of 30 days; *provided*, that a valid extension of the payment period for Interest in accordance with Article 4 shall not constitute an Event of Default under this Section 10.01(a);

(b) default in the payment of the Principal Amount, when due and payable at its Stated Maturity, upon optional redemption pursuant to Article 7, upon required repurchase pursuant to Article 8, upon declaration or otherwise;

(c) default in the Company's obligation to deliver the cash and/or Common Stock, payable upon exercise of a Holder's conversion right in accordance with Article 9 hereof and such failure continues for three calendar days;

(d) failure by the Company to issue a Fundamental Change Company Notice or the notice required by Section 9.01(a)(iv) when due;

(e) failure by the Company to comply with its obligations under Article 11 hereof;

(f) default in the performance of any covenant, agreement or condition of the Company in this Indenture or the Securities (other than a default specified in paragraph (a) or (b) above), and such default continues for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate Principal Amount of the Outstanding Securities a written notice specifying such default and requiring it to be remedied and stating that such notice is a “**Notice of Default**” hereunder;

(g) default by the Company or any of its Subsidiaries with respect to any mortgage, agreement or other instrument under which there may be outstanding, or by which there may be secured or evidenced any Indebtedness for money borrowed in excess of \$50,000,000 in the aggregate of the Company and/or any of its Subsidiaries, whether such Indebtedness now exists or shall hereafter be created (1) resulting in such Indebtedness becoming or being declared due and payable or (2) constituting a failure to pay the principal or interest of any such debt when due and payable at its stated maturity, upon required repurchase, declaration or otherwise.

(h) the entry by a court having jurisdiction in the premises of (i) a decree or order for relief in respect of the Company or any of its Significant Subsidiaries of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (ii) a decree or order adjudging the Company or any of its Significant Subsidiaries as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or such Significant Subsidiary under any applicable federal or state law or (iii) appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any of its Significant Subsidiary or of any substantial part of its respective property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(i) the commencement by the Company or any of its Significant Subsidiaries of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it

to the entry of a decree or order for relief in respect of the Company or any of its Significant Subsidiaries in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any of its Significant Subsidiaries or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company or any of its Significant Subsidiaries in furtherance of any such action.

Section 10.02. *Acceleration of Maturity; Other Remedies; Rescission and Annulment.* Subject to Article 5 hereof, (a) If an Event of Default (other than those specified in Section 10.01(h) and Section 10.01(i)) occurs and is continuing, then and in every such case the Trustee or the Holders of at least 25% in aggregate Principal Amount of the Outstanding Securities may declare the Principal Amount plus accrued and unpaid Interest on all the Outstanding Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such Principal Amount plus accrued and unpaid Interest shall become immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default specified in Section 10.01(h) or Section 10.01(i), the Principal Amount plus accrued and unpaid Interest on all Outstanding Securities will *ipso facto* become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 10 provided, the Holders of a majority in aggregate Principal Amount of the Outstanding Securities, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) such rescission and annulment will not conflict with any judgment or decree of a court of competent jurisdiction; and

(ii) all Events of Default, other than the non-payment of the Principal Amount plus accrued and unpaid Interest on Securities that have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 10.12 and payments owed to the Trustee under Section 12.07 have been made.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the foregoing, if so elected by the Company, the sole remedy for an Event of Default relating to the failure to comply with Section 6.13 hereof, will for the first 365 days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest (the “**Reporting Additional Interest**”) on the Securities at an annual rate equal to 0.25% of the Principal Amount of Outstanding Securities during the first 180 days after the occurrence of such an Event of Default and 0.50% of the Principal Amount of Outstanding Securities from the 181st day until the 365th day following the occurrence of such an Event of Default. The Reporting Additional Interest will be in addition to any Additional Interest that may accrue under the Registration Rights Agreement. If the Company so elects, the Reporting Additional Interest will be payable on all Outstanding Securities from and including the date on which such event of default first occurs to, but not including, the 365th day thereafter, or such earlier date on which such Event of Default has been cured or waived. On the 365th day after such Event of Default (or earlier, if the Event of Default is cured or waived prior to 365th day), Reporting Additional Interest will cease to accrue and the Securities will be subject to acceleration as provided in this Section 10.02. In the event the Company does not elect to pay the Reporting Additional Interest upon an Event of Default in accordance with this paragraph, the Securities will be subject to acceleration as provided in this Section.

In order to elect to pay the Reporting Additional Interest as the sole remedy during the first 365 days after the occurrence of an Event of Default relating to the failure to comply with Section 6.13 in accordance with the immediately preceding paragraph, the Company must (i) notify all Holders, the Trustee and Paying Agent of such election prior to the date that is 60 days after the Notice of Default is delivered to the Company. Upon the failure to timely give all Holders, the Trustee and Paying Agent such notice, the Securities will be subject to acceleration as provided in this Section 10.02.

Section 10.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.* Subject to Article 5 hereof, the Company covenants that if a Default is made in the payment of the Principal Amount plus accrued and unpaid Interest at the Maturity thereof or in the payment of the Redemption Price or the Fundamental Change Repurchase Price in respect of any Security, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Subject to Article 5 hereof, if an Event of Default occurs and is continuing, the Trustee may, but shall not be obligated to, pursue any available remedy to

collect the payment of the Principal Amount plus accrued but unpaid Interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture. The Trustee may maintain a proceeding even if the Trustee does not possess any of the Securities or does not produce any of the Securities in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of, or acquiescence in, the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 10.04. *Trustee May File Proofs of Claim.* In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 12.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 10.05. *Application of Money Collected.* Subject to Article 5 hereof, any money collected by the Trustee pursuant to this Article 10 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money to Holders, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 12.07;

SECOND: To the payment of the amounts then due and unpaid on the Securities for the Principal Amount, Redemption Price, Fundamental Change Repurchase Price or Interest, as the case may be, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities; and

THIRD: To the payment of the remainder, if any, to the Company;

Section 10.06. *Limitation on Suits.* No Holder of any Security shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder (other than in the case of an Event of Default specified in Section 10.01(a) or Section 10.01(b)), unless permitted under Article 5 hereof, and:

(i) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(ii) the Holders of at least 25% in aggregate Principal Amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(iii) such Holder or Holders have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(iv) the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity has failed to institute any such proceeding; and

(v) no direction, in the opinion of the Trustee, inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate Principal Amount of the Outstanding Securities;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 10.07. *Unconditional Right of Holders to Receive Payment.* Notwithstanding any other provision of this Indenture, other than Article 5 hereof, the right of any Holder to receive payment of the Principal Amount, Redemption Price, Fundamental Change Repurchase Price or Interest in respect of the Securities held by such Holder, on or after the respective due dates expressed in the Securities or any Redemption Date or Fundamental Change Purchase Date, as applicable, and to convert the Securities in accordance with Article 9, or to bring suit for the enforcement of any such payment on or after such respective dates or the right to convert, shall not be impaired or affected adversely without the consent of such Holder.

Section 10.08. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 10.09. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 10.10. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Subject to Article 5 hereof, every right and remedy given by this Article 10 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 10.11. *Control by Holders.* Subject to Article 5 hereof, the Holders of a majority in Principal Amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, *provided that*:

- (i) such direction shall not be in conflict with any rule of law or with this Indenture;
- (ii) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (iii) the Trustee has not determined that such action would either subject it to liability or be unduly prejudicial to the rights of the other Holders.

Section 10.12. *Waiver of Past Defaults.* The Holders of at least a majority in Principal Amount of the Outstanding Securities may on behalf of the Holders of all the Securities waive any past Default hereunder and its consequences, except a Default:

(i) Described in Section 10.01(a) or (b); or

(ii) in respect of a covenant or provision hereof which under Article 15 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 10.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, in either case in respect of the Securities, a court may require any party litigant in such suit to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant; but the provisions of this Section 10.13 shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Principal Amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the Principal Amount on any Security on or after Maturity of such Security, the Redemption Price or the Fundamental Change Repurchase Price.

Section 10.14. *Waiver of Stay or Extension Laws.* The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 11
CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 11.01. *Company May Consolidate, Etc., Only on Certain Terms.* The Company shall not consolidate with or merge into another Person or convey, transfer or lease all or substantially all of its properties and assets to another Person, and the Company shall not permit another Person to consolidate with or merge into the Company or convey, transfer or lease all or substantially all of its properties and assets to the Company, unless:

(a) either (i) the Company is the resulting, surviving or transferee Person or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Company substantially as an entirety (the “**Surviving Entity**”), (1) is organized and validly existing under the laws of the United States of America, any State thereof or the District of Columbia, (2) the Surviving Entity expressly assumes, by an indenture supplemental hereto, executed and delivered to the Trustee, all of the obligations of the Company under the Securities, this Indenture and, to the extent that the Company has ongoing obligations pursuant to the Registration Rights Agreement, the Registration Rights Agreement;

(b) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; and

(c) the Company or the Surviving Entity has delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article 11 and Article 15, respectively.

Section 11.02. *Successor Substituted.* Upon any consolidation of the Company with, or merger of the Company into, any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company in accordance with Section 11.01, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease of all or substantially all of the Company’s properties and assets, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE 12
THE TRUSTEE

Section 12.01. *Duties and Responsibilities of Trustee.* The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(a) Prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture and the Trust Indenture Act, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture and the Trust Indenture Act against the Trustee; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable to the Holders with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Holders of at least a majority in principal

amount of the Securities at the time outstanding determined as provided in Section 1.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(c) Whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section;

(d) The Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any co-registrar with respect to the Securities; and

(e) If any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 12.02. *Notice of Defaults.* The Trustee shall give the Holders and any Representative of Senior Debt that has so requested in writing notice of any Default hereunder within 60 days after the occurrence thereof; *provided*, that (except in the case of any Default in the payment of Principal Amount or Interest on any of the Securities or Fundamental Change Repurchase Price), the Trustee shall be protected in withholding such notice to the Holders (but not the Representative of the Senior Debt) if and so long as a committee of officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

Section 12.03. *Reliance on Documents, Opinions, Etc.* Except as otherwise provided in Section 12.01:

(a) the Trustee may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon or other paper or document (whether in its original or facsimile form) believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel of its own selection and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney (at the reasonable expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation);

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder;

(g) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(i) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and the Indenture; and

(j) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(k) The Trustee agrees to accept and act upon facsimile transmission of written instructions or directions pursuant to this Indenture, it being understood that originals of such shall be provided to the Trustee in a timely manner.

Section 12.04. *No Responsibility For Recitals, Etc.* The recitals contained herein and in the Securities (except in the Trustee's certificate of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of any Securities or the proceeds of any Securities authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 12.05. *Trustee, Paying Agents, Conversion Agents or Registrar May Own Securities.* The Trustee, any Paying Agent, any Conversion Agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, Paying Agent, Conversion Agent or Security Registrar.

Section 12.06. *Monies to Be Held in Trust.* Subject to the provisions of Section 14.02, all monies and properties received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as may be agreed in writing from time to time by the Company and the Trustee.

Section 12.07. *Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to from time to time in writing between the Company and the Trustee, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, willful misconduct or bad faith. The Company also covenants to indemnify the Trustee (or any officer, director or employee of the Trustee), in any capacity under this Indenture and its agents and any authenticating agent for, and to hold them harmless against, any and all loss, liability, claim or expense incurred without negligence, willful misconduct or bad

faith on the part of the Trustee or such officers, directors, employees and agent or authenticating agent, as the case may be, and arising out of or in connection with the acceptance or administration of this trust or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim of liability in the premises. The obligations of the Company under this Section 12.07 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. The obligation of the Company under this Section 12.07 shall survive the satisfaction and discharge of this Indenture.

When the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 10.01(h) or Section 10.01(i) with respect to the Company occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 12.08. *Conflicting Interests of Trustee.* If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

Section 12.09. *Eligibility of Trustee.* There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000 (or if such Person is a member of a bank holding company system, its bank holding company shall have a combined capital and surplus of at least \$50,000,000). If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section 12.09 the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 12.09, it shall resign promptly in the manner and with the effect hereinafter specified in this Article 12.

Section 12.10. *Resignation or Removal of Trustee.* (a) The Trustee may at any time resign by giving written notice of such resignation to the Company and to the Holders. Upon receiving such notice of resignation, the Company shall promptly appoint a successor Trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor Trustee. If no successor Trustee shall have been so appointed and have accepted appointment 60 days after the mailing of such notice of resignation to the Securityholders, the resigning Trustee may, upon 10 Business Days' notice to the Company and the

Securityholders, appoint a successor identified in such notice or may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee, or, if any Securityholder who has been a bona fide Holder for at least six (6) months may, subject to the provisions of Section 10.13, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with Section 12.08 after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Security or Securities for at least six (6) months; or

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 12.09 and shall fail to resign after written request therefor by the Company or by any such Securityholder; or

(iii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; then, in any such case, the Company may remove the Trustee and appoint a successor Trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor Trustee, or, subject to the provisions of Section 10.13, any Securityholder who has been a bona fide Holder for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee; *provided, however,* that if no successor Trustee shall have been appointed and have accepted appointment 60 days after either the Company or the Securityholders has removed the Trustee, the Trustee so removed may petition any court of competent jurisdiction for an appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor Trustee.

(c) The Holders of a majority in aggregate principal amount of the Securities at the time outstanding may at any time remove the Trustee and nominate a successor Trustee which shall be deemed appointed as successor Trustee unless, within 10 days after notice to the Company of such nomination, the Company objects thereto, in which case the Trustee so removed or any Securityholder, or if such Trustee so removed or any Securityholder fails to act,

the Company, upon the terms and conditions and otherwise as in Section 12.10(a) provided, may petition any court of competent jurisdiction for an appointment of a successor Trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 12.10 shall become effective upon acceptance of appointment by the successor Trustee as provided in Section 12.11.

Section 12.11. *Acceptance by Successor Trustee.* Any successor Trustee appointed as provided in Section 12.10 shall execute, acknowledge and deliver to the Company and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor Trustee, the trustee ceasing to act shall, upon payment of any amount then due it pursuant to the provisions of Section 12.07, execute and deliver an instrument transferring to such successor Trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor Trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property and funds held or collected by such trustee as such, except for funds held in trust for the benefit of holders of particular Securities, to secure any amounts then due it pursuant to the provisions of Section 12.07.

No successor Trustee shall accept appointment as provided in this Section 12.11 unless, at the time of such acceptance, such successor Trustee shall be qualified under the provisions of Section 12.08 and be eligible under the provisions of Section 12.09.

Upon acceptance of appointment by a successor Trustee as provided in this Section 12.11, the Company (or the former trustee, at the written direction of the Company) shall mail or cause to be mailed notice of the succession of such trustee hereunder to the Holders at their addresses as they shall appear on the Security Register. If the Company fails to mail such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Company.

Section 12.12. *Succession by Merger, Etc..* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee (including any trust created by this Indenture), shall be the successor to the Trustee hereunder without the

execution or filing of any paper or any further act on the part of any of the parties hereto, *provided* that in the case of any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, such corporation shall be qualified under the provisions of Section 12.08 and eligible under the provisions of Section 12.09.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee or authenticating agent appointed by such predecessor Trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee or any authenticating agent appointed by such successor Trustee may authenticate such Securities in the name of the successor Trustee; and in all such cases such certificates shall have the full force that is provided in the Securities or in this Indenture; *provided, however* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Securities in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 12.13. *Preferential Collection of Claims.* If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of the claims against the Company (or any such other obligor).

- (a) semi-annually, not more than 15 days after each Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Record Date; and
- (b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

excluding from any such list names and addresses received by the Trustee in its capacity as Security Registrar; *provided, however*, that no such list need be furnished so long as the Trustee is acting as Security Registrar.

Section 13.02. *Preservation of Information; Communications to Holders.* (a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 13.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 13.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

Section 13.03. *Reports by Trustee.* (a) The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. Reports so required to be transmitted at stated intervals of not more than 12 months shall be transmitted no later than July 15, 2008 in each calendar year, commencing on July 15, 2008. Each such report shall be dated as of a date not more than 60 days prior to the date of transmission.

(b) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange, if any, upon which the Securities are listed, with the Commission and with the Company. The Company will notify the Trustee when the Securities are listed on any stock exchange or of any delisting thereof.

ARTICLE 14 SATISFACTION AND DISCHARGE

Section 14.01. *Satisfaction and Discharge of Indenture.* This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities which have been destroyed, lost or stolen and which

have been replaced or paid as provided in Section 3.06 and (B) Securities for whose payment money has theretofore been deposited with the Trustee in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 6.04) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation have become due and payable and the Company has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire Indebtedness evidenced by such Securities not theretofore delivered to the Trustee for cancellation;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 12.07 and, if money shall have been deposited with the Trustee pursuant to Section 14.01(a)(ii), the obligations of the Trustee under Section 14.02 and the last paragraph of Section 6.04 shall survive.

Section 14.02. *Application of Trust Money.* Subject to the provisions of the last paragraph of Section 6.04, all money deposited with the Trustee pursuant to Section 14.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) to the Persons entitled thereto, of the principal and Interest for whose payment such money has been deposited with the Trustee.

ARTICLE 15 SUPPLEMENTAL INDENTURES

Section 15.01. *Supplemental Indentures Without Consent of Holders.* Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(i) to cure any ambiguity or correct any omission, defect or inconsistency contained herein, so long as such action does not materially

adversely affect the interest of the Holders; *provided* that any such action made solely to conform the provisions of this Indenture to the description thereof contained in the final offering memorandum dated August 14, 2007, shall be deemed not to adversely affect the interests of the Holders;

(ii) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities;

(iii) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided* that the Company receives an opinion of nationally recognized tax counsel that such uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code;

(iv) to add guarantees with respect to the Securities;

(v) to convey, transfer, assign, mortgage or pledge to the Trustee as security for the Securities any property or assets;

(vii) to fix a Specified Dollar Amount that will apply to all future conversions of the Securities and to provide that the Company will be required to satisfy its settlement obligations on conversion of the Securities pursuant to Section 9.03(b)(iii) by paying cash with respect to such Specified Dollar Amount;

(viii) to add or modify any other provision herein with respect to matters or questions arising hereunder which the Company may deem necessary or desirable and which does not materially and adversely affect the rights of any Holder; or

(ix) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualifications of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted.

Section 15.02. *Supplemental Indentures With Consent of Holders.* With the consent of the Holders of at least a majority in Principal Amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the

- (viii) modify any of the provisions of this Section 15.02, Section 15.03 or Section 10.12, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

It shall not be necessary for any Act of Holders under this Section 15.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 15.03. *Execution of Supplemental Indentures.* In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 15 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 12.01) shall be fully protected in relying upon, in addition to the documents required by Section 1.02, an Opinion of Counsel stating that the execution of such

supplemental indenture is authorized or permitted by this Indenture. Subject to the preceding sentence, the Trustee shall sign such supplemental indenture if the same does not adversely affect the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 15.04. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture under this Article 15, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

2. Registration Under the Securities Act.

- (a) The Company agrees to file under the Securities Act within 90 days after the Closing Date, a shelf registration statement providing for the registration of, and the sale on a continuous or delayed basis by the Holders of, all of the Registrable Securities,

pursuant to Rule 415 or any similar rule that may be adopted by the Commission. The Company agrees to use its reasonable efforts to cause the Shelf Registration Statement to become or be declared effective no later than 200 days after the Closing Date. The Company agrees to use its reasonable efforts to keep such Shelf Registration Statement continuously effective until the earlier of (i) the second anniversary of the Closing Date and (ii) such time as there are no longer any Registrable Securities outstanding (as defined herein) (the “**Effective Period**”). None of the Company’s securityholders (other than Holders of Registrable Securities) shall have the right to include any of the Company’s securities in the Shelf Registration Statement.

(b) The Company further agrees that it shall cause the Shelf Registration Statement, the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement, as of the time of sale of any Securities under such Shelf Registration Statement, and as of the date of any such amendment or supplement, (i) to comply in all material respects with the applicable requirements of the Securities Act and (ii) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading, and the Company agrees to furnish to the Holders of the Registrable Securities such number of copies as such Holders may reasonably request of any supplement or amendment prior to its being used or promptly following its filing with the Commission; *provided, however*, that the Company shall have no obligation to deliver to Holders of Registrable Securities copies of any amendment consisting exclusively of an Exchange Act report or other Exchange Act filing otherwise publicly available on the Company’s website. If the Shelf Registration Statement, as amended or supplemented from time to time, ceases to be effective for any reason at any time during the Effective Period (other than because all Registrable Securities registered thereunder shall have been sold pursuant thereto or shall have otherwise ceased to be Registrable Securities), the Company shall use its reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof.

(c) Each Holder of Registrable Securities agrees that if such Holder wishes to sell Registrable Securities pursuant to the Shelf Registration Statement and related Prospectus, it will do so only in accordance with this Section 2(c) and Section 3(b). From and after the date the Shelf Registration Statement is initially declared effective, the Company shall, as promptly as is practicable after the date a properly completed Notice and Questionnaire is delivered, and in any event within (x) fifteen (15) Business Days after the date such Notice and Questionnaire is received by the Company or (y) if a Notice and Questionnaire is so received during a Deferral Period, five (5) Business Days after the expiration of such Deferral Period,

(i) if required by applicable law, file with the Commission a post-effective amendment to the Shelf Registration Statement or prepare and, if required by applicable law, file a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that the Holder delivering such Notice and Questionnaire is named as a selling security

holder in the Shelf Registration Statement and the related Prospectus in such a manner as to permit such Holder to deliver such Prospectus to purchasers of the Registrable Securities in accordance with applicable law and, if the Company shall file a post-effective amendment to the Shelf Registration Statement and such amendment is not automatically effective, use its reasonable efforts to cause such post-effective amendment to be declared effective under the Securities Act as promptly as is reasonably practicable;

(ii) provide such Holder with as many copies of any documents filed pursuant to Section 2(c)(i) as such Holder may reasonably request in connection with the Securities covered by such Holder's Notice and Questionnaire; and

(iii) notify such Holder as promptly as reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 2(c)(i);

provided that in no event shall the Company be required to make more than one such filing during any twenty (20) Business Day period and, in addition, if the Shelf Registration Statement is not an automatic shelf registration statement, the Company shall not be required to make more than one such filing in any calendar quarter in the form of a post-effective amendment to the Shelf Registration Statement; *provided, further,* that if such Notice and Questionnaire is delivered during a Deferral Period, the Company shall so inform the Holder delivering such Notice and Questionnaire and shall take the actions set forth in clauses (i), (ii) and (iii) above as promptly as reasonably practicable upon expiration of the Deferral Period in accordance with Section 3(b). Notwithstanding anything contained herein to the contrary, the Company shall be under no obligation to name any Holder that is not a Notice Holder as a selling securityholder in any Shelf Registration Statement or related Prospectus or Prospectus supplement; *provided, however,* that any Holder that becomes a Notice Holder pursuant to the provisions of this Section 2(c) (whether or not such Holder was a Notice Holder at the time the Shelf Registration Statement was declared effective) shall be named as a selling securityholder in the Shelf Registration Statement or related Prospectus in accordance with the requirements of this Section 2(c).

(d) If any of the following events (any such event a "**Registration Default**") shall occur, then additional interest (the "**Additional Interest**") shall become payable by the Company to Holders in respect of the Debentures as follows:

(i) if the Shelf Registration Statement is not filed with the Commission within 90 days following the Closing Date, then commencing on the 91st day after the Closing Date, Additional Interest shall accrue on the principal amount of the outstanding Debentures that are Registrable Securities at a rate of 0.25% per annum for the first 90 days following such 90th day and at a rate of 0.5% per annum thereafter; or

(ii) if the Shelf Registration Statement has not become or is not declared effective by the Commission within 200 days following the Closing Date, then commencing on the 201st day after the Closing Date, Additional Interest shall accrue on

the principal amount of the outstanding Debentures that are Registrable Securities at a rate of 0.25% per annum for the first 90 days following such 200th day and at a rate of 0.5% per annum thereafter; or

(iii) if the Company has failed to perform its obligations set forth in Section 2(c) hereof and the Notice Holder shall have fully complied with its obligations under Section 4 within the time periods required therein, then, commencing on the first day after the date by which the Company was required to perform such obligations, Additional Interest shall accrue on the principal amount of the outstanding Debentures that are Registrable Securities at a rate of 0.25% per annum for the first 90 days and at a rate of 0.5% per annum thereafter;

(iv) if the Shelf Registration Statement has been declared effective but such Shelf Registration Statement ceases to be effective at any time during the Effective Period (other than pursuant to Section 3(b) hereof), then, commencing on the day such Shelf Registration Statement ceases to be effective, Additional Interest shall accrue on the principal amount of the outstanding Debentures that are Registrable Securities at a rate of 0.25% per annum for the first 90 days following such date on which the Shelf Registration Statement ceases to be effective and at a rate of 0.5% per annum thereafter; or

(v) if the aggregate duration of Deferral Periods in any period exceeds the number of days permitted in respect of such period pursuant to Section 3(b) hereof, then, commencing on the day the aggregate duration of Deferral Periods in any period exceeds the number of days permitted in respect of such period (and again on the first day of any subsequent Deferral Period during such period), Additional Interest shall accrue on the principal amount of the outstanding Debentures that are Registrable Securities at a rate of 0.25% per annum for the first 90 days and at a rate of 0.5% per annum thereafter;

provided, however, that the Additional Interest rate on the Debentures shall not exceed in the aggregate 0.5% per annum and shall not be payable under more than one clause above for any given period of time, except that if Additional Interest would be payable under more than one clause above, but at a rate of 0.25% per annum under one clause and at a rate of 0.5% per annum under the other, then the Additional Interest rate shall be the higher rate of 0.5% per annum; *provided further*, however, that (1) upon the filing of the Shelf Registration Statement (in the case of clause (i) above), (2) upon the effectiveness of the Shelf Registration Statement (in the case of clause (ii) above), (3) upon the performance by the Company of its obligations set forth in Section 2(c) hereof within the time periods required therein (in the case of clause (iii) above), (4) upon the effectiveness of the Shelf Registration Statement which had ceased to remain effective (in the case of clause (iv) above), (5) upon the termination of the Deferral Period that caused the limit on the aggregate duration of Deferral Periods in a period set forth in Section 3(b) to be exceeded (in the case of clause (v) above) or (6) when the Debentures are no longer Registrable Securities (in the case of each of clauses (i) through (v) above), Additional Interest on the Debentures as a result of such clause, as the case may be, shall cease to accrue.

Additional Interest on the Debentures, if any, will be payable in cash on February 15 and August 15 of each year (the “**Additional Interest Payment Date**”) to holders of record of outstanding Debentures that are Registrable Securities at the close of business on February 1 or August 1 (whether or not a Business Day), as the case may be, immediately preceding the relevant interest payment date; *provided* that any Additional Interest accrued with respect to any Debentures or portion thereof submitted for repurchase or redemption on a repurchase date or converted into Shares on a conversion date prior to the Registration Default shall, in any such event, be paid instead to the Holder who submitted such Debentures or portion thereof for repurchase or conversion on the applicable repurchase date or conversion date, as the case may be, on such date (or promptly following the conversion date, in the case of conversion). In the case of an event of the type described in clause (iii) above, such Additional Interest shall be paid only to the Holders that have delivered Notice and Questionnaires that caused the Company to incur the obligations set forth in Section 2(c), the non-performance of which is the basis of such Registration Default. Following the cure of all Registration Defaults requiring the payment of Additional Interest to the Holders of Debentures that are Registrable Securities pursuant to this Section, the accrual of Additional Interest will cease and the interest rate borne by the Debentures will revert to the otherwise payable interest rate at such time. Additional Interest on the Debentures, if any, will accrue from and include the date on which any Registration Default occurs to but exclude the date on which all Registration Defaults have been cured. If a Holder converts some or all of the Debentures into Shares, the Holder will not be entitled to receive Additional Interest on such Shares (without in any way limiting the effect of any subsequent Registration Default requiring the payment of Additional Interest).

The Company shall notify the Trustee immediately upon the happening of each and every Registration Default. The Trustee shall be entitled, on behalf of Holders of Securities, to enforce this Agreement, including for the payment of any Additional Interest. Notwithstanding the foregoing, the parties agree that the sole monetary damages payable for a violation of the terms of this Agreement with respect to which additional monetary amounts are expressly provided shall be as set forth in this Section 2(d). Nothing shall preclude a Notice Holder or Holder of Registrable Securities from pursuing or obtaining specific performance or other equitable relief with respect to this Agreement.

3. *Registration Procedures.*

The following provisions shall apply to the Shelf Registration Statement filed pursuant to Section 2:

(a) The Company shall:

(i) before filing any Shelf Registration Statement or Prospectus or any amendments or supplements thereto with the Commission, furnish to the Initial Purchaser copies of all such documents proposed to be filed and use its commercially reasonable efforts to reflect in each such document when so filed with the Commission such

comments as the Initial Purchaser reasonably shall propose within three (3) Business Days of the delivery of such copies to the Initial Purchaser; *provided, however*; that the Company shall be permitted to file Prospectus supplements or post-effective amendments to reflect additional selling securityholders without prior review of the Initial Purchaser.

(ii) prepare and file with the Commission such amendments and post-effective amendments to the Shelf Registration Statement and file with the Commission any other required document as may be necessary to keep such Shelf Registration Statement continuously effective until the expiration of the Effective Period; cause the related Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) under the Securities Act; and comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Securities covered by such Shelf Registration Statement during the Effective Period in accordance with the intended methods of disposition by the sellers thereof set forth in such Shelf Registration Statement as so amended or such Prospectus as so supplemented;

(iii) as promptly as reasonably practicable, notify the Notice Holders of Registrable Securities (A) when such Shelf Registration Statement or the Prospectus included therein or any amendment or supplement to the Prospectus or post-effective amendment has been filed with the Commission, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same is declared or has become effective, (B) of any request, following the effectiveness of the Shelf Registration Statement, by the Commission or any other Federal or state governmental authority for amendments or supplements to the Shelf Registration Statement or related Prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or written threat of any proceedings for that purpose, (D) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or written threat of any proceeding for such purpose, (E) of the occurrence of (but not the nature of or details concerning) any event or the existence of any fact (a "**Material Event**") as a result of which any Shelf Registration Statement shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, or any Prospectus shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (*provided, however*, that no notice by the Company shall be required pursuant to this clause (E) in the event that the Company either promptly files a prospectus supplement, amendment to the Shelf Registration Statement to update the Prospectus or a Form 8-K or other appropriate Exchange Act report that is permitted to be incorporated by reference into the Shelf Registration Statement, which, in either case, contains the requisite information with respect to such Material Event that results in such Shelf Registration Statement or Prospectus, as the case may be, no longer containing any untrue statement of material fact or omitting to state a material fact necessary to make the statements contained therein, in the case of the Prospectus, in light of the circumstances

under which they were made, not misleading), (F) of the determination by the Company that a post-effective amendment to the Shelf Registration Statement (other than for the purpose of naming a Notice Holder as a selling security holder therein) will be filed with the Commission, which notice may, at the discretion of the Company (or as required pursuant to Section 3(b)), state that it constitutes a Deferral Notice, in which event the provisions of Section 3(b) shall apply or (G) at any time when a Prospectus is required (or but for the exemption contained in Rule 172 would be required) to be delivered under the Securities Act, that the Shelf Registration Statement, Prospectus, Prospectus amendment, supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder;

(iv) prior to any public offering of the Registrable Securities pursuant to the Shelf Registration Statement, use its reasonable efforts to register or qualify, or cooperate with the Notice Holders of Securities included therein and their respective counsel in connection with the registration or qualification of such Securities for offer and sale under the securities or blue sky laws of such jurisdictions as any such Notice Holders reasonably requests in writing and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by the Shelf Registration Statement; *provided* that the Company will not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or to taxation in any such jurisdiction where it is not then so subject; prior to any public offering of the Registrable Securities pursuant to the Shelf Registration Statement, use its reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the Effective Period in connection with such Notice Holder's offer and sale of Registrable Securities pursuant to such registration or qualification (or exemption therefrom) and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Registrable Securities in the manner set forth in the Shelf Registration Statement and the related Prospectus; *provided* that the Company will not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or to taxation in any such jurisdiction where it is not then so subject;

(ix) as promptly as reasonably practicable furnish to each Notice Holder and the Initial Purchaser, upon their request and without charge, at least one (1) conformed copy of the Shelf Registration Statement and any amendments thereto, including financial statements but excluding schedules, all documents incorporated or deemed to be incorporated therein by reference and all exhibits; *provided, however*, that the Company shall have no obligation to deliver to Notice Holders or the Initial Purchaser

a copy of any amendment consisting exclusively of an Exchange Act report or other Exchange Act filing otherwise publicly available on the Company's website or in the Commission's EDGAR database;

(x) during the Effective Period, deliver to each Notice Holder in connection with any sale of Registrable Securities pursuant to the Shelf Registration Statement, upon their request and without charge, as many copies of the Prospectus relating to such Registrable Securities (including each preliminary prospectus) and any amendment or supplement thereto as such Notice Holder may reasonably request; and the Company hereby consents (except during such periods that a Deferral Notice is outstanding and has not been revoked) to the use of such Prospectus or each amendment or supplement thereto by each Notice Holder in connection with any offering and sale of the Registrable Securities covered by such Prospectus or any amendment or supplement thereto in the manner set forth therein and subject to applicable law;

(xi) during the Effective Period, cooperate with the Notice Holders to facilitate the timely preparation and delivery of certificates representing Securities to be sold pursuant to the Shelf Registration Statement free of any restrictive legends and in such denominations as permitted by the Indenture and registered in such names as the Holders thereof may request in writing at least two (2) Business Days prior to sales of Securities pursuant to such Shelf Registration Statement.

in the case of a post-effective amendment to the Shelf Registration Statement, subject to the second sentence of this provision, use its reasonable efforts to cause it to be declared effective or otherwise become effective as promptly as practicable and (ii) give notice to the Notice Holders that the availability of the Shelf Registration Statement is suspended (a “**Deferral Notice**”). The Company will use its reasonable efforts to ensure that the use of the Prospectus may be resumed (x) in the case of clause (A) above, as promptly as practicable, (y) in the case of clause (B) above, as soon as, in the sole judgment of the Company, public disclosure of such Material Event would not be prejudicial to or contrary to the interests of the Company or, if necessary to avoid unreasonable burden or expense, as soon as practicable thereafter and (z) in the case of clause (C) above, as soon as, in the discretion of the Company, such suspension is no longer appropriate; *provided* that the period during which the availability of the Shelf Registration Statement and any Prospectus is suspended (the “**Deferral Period**”), without the Company incurring any obligation to pay Additional Interest pursuant to Section 2(d), shall not exceed one hundred and twenty (120) days in the aggregate in any twelve (12) month period.

(c) Each Holder of Registrable Securities agrees that upon receipt of any Deferral Notice from the Company, such Holder shall forthwith discontinue (and cause any placement or sales agent or underwriters acting on their behalf to discontinue) the disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder (i) shall have received copies of such amended or supplemented Prospectus (including copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus) and, if so directed by the Company, such Holder shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, then in such Holder’s possession of the Prospectus covering such Registrable Securities at the time of receipt of such notice or (ii) shall have received notice from the Company that the disposition of Registrable Securities pursuant to the Shelf Registration may continue.

(e) The Company shall make generally available to its securityholders earning statements (which need not be audited) satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any 12-month period (or 90 days after the end of any 12-month period if such period is a fiscal year) commencing on the first day of the first fiscal quarter of the Company commencing after the effective date of the Shelf Registration Statement, which statements shall cover said 12-month periods.

(f) The Company shall provide a CUSIP number for all Registrable Securities covered by the Shelf Registration Statement not later than the initial effective date of

such Shelf Registration Statement and provide the Trustee and the transfer agent for the Shares with printed certificates for the Registrable Securities that are in a form eligible for deposit with The Depository Trust Company.

(g) The Company shall use its reasonable efforts to provide such information as is required for any filings required to be made with the National Association of Securities Dealers, Inc.

(h) Until the expiration of the Effective Period, the Company will not, and will not permit any of its "affiliates" (as defined in Rule 144) to, resell any of the Securities that have been reacquired by any of them except pursuant to an effective registration statement under the Securities Act.

(i) The Company shall cause the Indenture to be qualified under the Trust Indenture Act in a timely manner and shall enter into any necessary supplemental indentures in connection therewith.

(j) The Company shall take such other reasonable and lawful actions in connection therewith (including those reasonably requested by the Majority Holders of the Registrable Securities being sold) in order to expedite or facilitate disposition of such Registrable Securities.

4. Holders' Obligations.

(a) Each Holder agrees, by acquisition of the Registrable Securities, that no Holder of Registrable Securities shall be entitled to sell any of such Registrable Securities pursuant to the Shelf Registration Statement or to receive a Prospectus relating thereto, unless such Holder has furnished the Company with a Notice and Questionnaire as required pursuant to Section 2(c) hereof (including the information required to be included in such Notice and Questionnaire) and the information set forth in the next sentence. Each Notice Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by such Notice Holder to the Company or of the occurrence of any event in either case as a result of which any Prospectus relating to such registration contains or would contain an untrue statement of a material fact regarding such Notice Holder or such Notice Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Notice Holder or such Notice Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading, and promptly to furnish to the Company (i) any additional information required to correct and update any previously furnished information or required so that such Prospectus shall not contain, with respect to such Notice Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (ii) any other information regarding such Notice Holder and the distribution of such Registrable Securities as may be required to be disclosed in the Shelf Registration Statement under applicable law or pursuant to

Commission comments. Each Holder further agrees not to sell any Registrable Securities pursuant to the Shelf Registration Statement without delivering, causing to be delivered, or, if permitted by applicable law, making available, a Prospectus to the purchaser thereof and, following termination of the Effective Period, to notify the Company, within ten (10) Business Days of a request by the Company, of the amount of Registrable Securities sold pursuant to the Shelf Registration Statement and, in the absence of a response, the Company may assume that all of the Holder's Registrable Securities were so sold in compliance with applicable law and this Agreement.

(b) Any sale of any Registrable Securities by any Holder shall constitute a representation and warranty by such Holder that the information relating to such Holder and its plan of distribution is as set forth in the Prospectus delivered by such Holder in connection with such disposition, that such Prospectus does not as of the time of such sale contain any untrue statement of a material fact relating to or provided by such Holder or its plan of distribution and that such Prospectus does not as of the time of such sale omit to state any material fact relating to or provided by such Holder or its plan of distribution necessary to make the statements in such Prospectus, in the light of the circumstances under which they were made, not misleading. Each Holder further agrees that such Holder will not make any offer relating to the Registrable Securities that would constitute an "issuer free writing prospectus" (as defined in Rule 433 under the Securities Act) or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405 under the Securities Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Securities Act, unless it has obtained the prior written consent of the Company.

(c) The Holders shall not offer Registrable Securities under the Shelf Registration Statement in an underwritten offering without the Company's prior written consent.

5. Registration Expenses.

The Company agrees to bear and to pay or cause to be paid promptly after request being made therefore all fees and expenses incident to the Company's performance of or compliance with this Agreement, including, but not limited to, (a) all Commission and any NASD registration and filing fees and expenses, (b) all fees and expenses in connection with the qualification of the Securities for offering and sale under the State securities and Blue Sky laws referred to in Section 3(a)(v) hereof, (c) all expenses relating to the preparation, printing, distribution and reproduction of the Shelf Registration Statement, the related Prospectus, each amendment or supplement to each of the foregoing, the certificates representing the Securities and all other documents relating hereto, (d) fees and expenses of the Trustee under the Indenture, and of the registrar and transfer agent for the Shares, (e) fees, disbursements and expenses of counsel and the registered independent public accounting firm of the Company and (f) reasonable fees, disbursements and expenses of one counsel for all Holders of Registrable Securities retained in connection with the Shelf Registration Statement, as selected by the Company (unless reasonably objected to by the Majority Holders of the Registrable Securities being registered, in which case the Majority Holders shall select such counsel for the Holders)

("Special Counsel") not to exceed \$50,000, and fees, expenses and disbursements of any other Persons, including special experts, retained by the Company in connection with such registration (collectively, the "Registration Expenses"). To the extent that any Registration Expenses are reasonably and properly incurred, assumed or paid by any Holder of Registrable Securities, the Company shall reimburse such Person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of a documented request therefor. Notwithstanding the foregoing, the Holders of the Registrable Securities being registered shall pay all underwriting discounts and commissions and placement agent fees and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such Holders (severally or jointly), other than the counsel and experts specifically referred to above.

6. Indemnification.

(a) The Company shall indemnify and hold harmless each Notice Holder (including, without limitation, the Initial Purchaser), its Affiliates, their respective officers, directors and employees and each person, if any, who controls such Notice Holder within the meaning of the Securities Act or the Exchange Act (collectively referred to for purposes of this Section 6 and Section 7 as an "Indemnified Holder") from and against any loss, claim, damage or liability, joint or several, or any action in respect thereof (including, without limitation, any loss, claim, damage, liability or action relating to purchases and sales of Securities), to which that Indemnified Holder may become subject, whether commenced or threatened, under the Securities Act, the Exchange Act, any other federal or state statutory law or regulation, at common law or otherwise, insofar as such loss, claim, damage, liability or action arises out of, or is based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in any such Shelf Registration Statement or any Prospectus forming part thereof, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and shall reimburse each Indemnified Holder promptly upon demand for any legal or other expenses reasonably incurred by that Indemnified Holder in connection with investigating or defending or preparing to defend against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon, an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with any information provided by such Indemnified Holder in writing to the Company expressly for use therein, including its Notice and Questionnaire. This indemnity agreement shall be in addition to any liability that the Company may otherwise have.

(b) Each Notice Holder shall indemnify and hold harmless the Company, its Affiliates, their respective officers, directors and employees and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (collectively referred to for purposes of this Section 6(b) and Section 7 as the Company),

from and against any loss, claim, damage or liability, joint or several, or any action in respect thereof, to which the Company may become subject, whether commenced or threatened, under the Securities Act, the Exchange Act, any other federal or state statutory law or regulation, at common law or otherwise, insofar as such loss, claim, damage, liability or action arises out of, or is based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in any such Shelf Registration Statement or any Prospectus forming part thereof, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, but in each case only to the extent that the untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with any information furnished to the Company in writing by such Notice Holder expressly for use therein, including its Notice and Questionnaire, and shall reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending or preparing to defend against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that no such Notice Holder shall be liable for any indemnity claims hereunder in excess of the amount of net proceeds received by such Notice Holder from the sale of Securities pursuant to such Shelf Registration Statement. This indemnity agreement will be in addition to any liability which any such Notice Holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 of notice of any claim or the commencement of any action, the indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party pursuant to Section 6(a) or 6(b), notify the indemnifying party in writing of the claim or the commencement of that action; *provided, however*, that the failure to notify the indemnifying party shall not relieve it from any liability that it may have under this Section 6; except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under this Section 6 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure. If any such claim or action shall be brought against an indemnified party, and it shall notify the indemnifying party thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense thereof with counsel reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, the indemnifying party shall not be liable to the indemnified party under this Section 6 for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof other than the reasonable costs of investigation; *provided, however*, that an indemnified party shall have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel for the indemnified party will be at the expense of such indemnified party unless (1) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying

party, (2) the indemnified party has reasonably concluded (based upon advice of counsel to the indemnified party) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, (3) a conflict or potential conflict exists (based upon advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the indemnifying party will not have the right to direct the defense of such action on behalf of the indemnified party) or (4) the indemnifying party has not in fact employed counsel reasonably satisfactory to the indemnified party to assume the defense of such action within a reasonable time after receiving notice of the commencement of the action, in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm of attorneys (in addition to any local counsel) at any one time for all such indemnified party or parties. Each indemnified party, as a condition of the indemnity agreements contained in Sections 6(a) and 6(b), shall use its reasonable efforts to cooperate with the indemnifying party in the defense of any such action or claim. No indemnifying party shall be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with its written consent or if there be a final judgment for the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses or counsel as contemplated by this section, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of a request in writing setting forth proposed settlement terms from the indemnified party and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with the aforesaid request prior to the date of such settlement, *provided, however*, that the indemnifying party shall not be liable for the settlement of any proceeding effected without its written consent pursuant to this sentence if there is a good faith dispute between the indemnified party and the indemnifying party as to whether indemnification may be sought for such proceeding. No indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld), effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement or admission of fault, culpability or a failure to act, by or on behalf of the indemnified party.

(d) The provisions of this Section 6 and Section 7 shall remain in full force and effect, regardless of any investigation made by or on behalf of any Notice Holder, the Company, or any of the indemnified Persons referred to in this Section 6 and Section 7, and shall survive the sale by a Notice Holder of Securities covered by the Shelf Registration Statement.

7. Contribution.

If the indemnification provided for in Section 6 is unavailable or insufficient to hold harmless an indemnified party under Section 6(a) or 6(b), then each indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such loss, claim, damage or liability, or action in respect thereof, (i) in such proportion as shall be appropriate to reflect the relative benefits received by the Company from the offering and sale of the Debentures, on the one hand, and a Holder with respect to the sale by such Holder of Securities, on the other, or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and such Holder on the other with respect to the statements or omissions that resulted in such loss, claim, damage or liability, or action in respect thereof, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and a Holder on the other with respect to such offering and such sale shall be deemed to be in the same proportion as the total net proceeds from the offering of the Debentures (before deducting expenses) received by or on behalf of the Company, on the one hand, and the total net proceeds (before deducting expenses) received by such Holder upon a resale of the Securities, on the other, bear to the total gross proceeds from the sale of all Securities pursuant to the Shelf Registration Statement in the offering of the Securities from which the contribution claim arises. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to the Company or information supplied by the Company on the one hand or to any information contained in the relevant Notice and Questionnaire supplied by such Holder on the other; the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Notice Holders' respective obligations to contribute pursuant to this Section 7 are several in proportion to the respective number of Registrable Securities they have sold pursuant to the Shelf Registration Statement and not joint. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 7 were to be determined by *pro rata* allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, damage or liability, or action in respect thereof, referred to above in this Section 7 shall be deemed to include, for purposes of this Section 7, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending or preparing to defend any such action or claim. Notwithstanding the provisions of this Section 7, an indemnifying party that is a Holder of Securities shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities sold by such indemnifying party to any purchaser exceeds the amount of any damages which such indemnifying party has otherwise paid or become liable to pay by reason of any untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

8. Information Requirements.

The Company covenants that, if at any time before the end of the Effective Period the Company is not subject to the reporting requirements of the Exchange Act, it will cooperate with any Holder and take such further customary action as any such Holder may reasonably request in writing, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 and Rule 144A under the Securities Act and customarily taken in connection with sales pursuant to such exemptions. Upon the written request of any Holder, the Company shall deliver to such Holder a written statement as to whether it has complied with such filing requirements, unless such a statement has been included in the Company's most recent report filed pursuant to Section 13 or Section 15(d) of Exchange Act. Notwithstanding the foregoing, nothing in this Section 8 shall be deemed to require the Company to register any of its securities under any section of the Exchange Act.

9. Miscellaneous.

(a) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company has obtained the written consent of the Majority Holders. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Securities are being sold pursuant to the Shelf Registration Statement and that does not directly or indirectly affect the rights of other Holders may be given by Holders of a majority in aggregate amount of the Securities being sold by such Holders pursuant to the Shelf Registration Statement. Notwithstanding the foregoing sentence, (i) this Agreement may be amended by written agreement signed by the Company and the Initial Purchaser, without the consent of the Holders of Registrable Securities, to cure any ambiguity or to correct or supplement any provision contained herein that may be defective or inconsistent with any other provision contained herein, or to make such other provisions in regard to matters or questions arising under this Agreement that shall not adversely affect the interests of the Holders of Registrable Securities. Each Holder of Registrable Securities outstanding at the time of any such amendment, modification, supplement, waiver or consent or thereafter shall be bound by any such amendment, modification, supplement, waiver or consent effected pursuant to this Section 8(a), whether or not any notice, writing or marking indicating such amendment, modification, supplement, waiver or consent appears on the Registrable Securities or is delivered to such Holder.

(b) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telecopier or air courier guaranteeing next-day delivery:

- (1) If to the Company, initially at the address set forth in the Purchase Agreement;

(2) If to the Initial Purchaser, initially at the address set forth in the Purchase Agreement; and

(3) If to a Holder, to the address of such Holder set forth in the security register, the Notice and Questionnaire or other records of the Company.

All such notices and communications shall be deemed to have been duly given: when delivered by hand, if personally delivered; one (1) Business Day after being delivered to a next-day air courier; five (5) Business Days after being deposited in the mail, if being delivered by first-class mail; and when receipt is acknowledged by the recipient's telecopier machine, if sent by telecopier.

(c) Successors and Assigns. This Agreement shall be binding upon the Company and each of its successors and assigns. Any person who purchases any Registrable Securities from the Initial Purchaser shall be deemed, for purposes of this Agreement, to be an assignee of the Initial Purchaser. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties and shall inure to the benefit of and be binding upon each Holder of any Registrable Securities, *provided that* nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Indenture. If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities, such person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such person shall be entitled to receive the benefits hereof.

(d) Counterparts. This Agreement may be executed in any number of counterparts (which may be delivered in original form or by telecopier) and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(e) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(f) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(g) Remedies. In the event of a breach by the Company or by any Holder of any of their respective obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law, including recovery of damages (other than the recovery of damages for a breach by the Company of its obligations under Section 3 hereof for which Additional Interest has been paid pursuant to Section 2 hereof), will be entitled to specific performance of its rights under this Agreement. The Company and each Holder agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agree that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate.

(h) No Inconsistent Agreements. The Company represents, warrants and agrees that (i) it has not entered into and shall not on or after the date of this Agreement enter into any agreement that would reasonably be expected to conflict with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof, (ii) it has not previously entered into any agreement which remains in effect granting any registration rights with respect to any of its debt securities to any person and (iii) without limiting the generality of the foregoing, without the written consent of the Majority Holders, it shall not grant to any Person the right to request the Company to register any debt securities of the Company under the Securities Act unless the rights so granted do not adversely affect the rights of the Holders under this Agreement.

(i) No Piggyback on Registrations. Neither the Company nor any of its security holders (other than the Holders of Restricted Securities in such capacity) shall have the right to include any securities of the Company in any Shelf Registration Statement other than Registrable Securities.

(j) Severability. The remedies provided herein are cumulative and not exclusive of any remedies provided by law. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any term, provision, covenant or restriction that may be hereafter declared invalid, illegal, void or unenforceable.

(k) Survival. The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any Holder of Registrable Securities, any director, officer or partner of such Holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement and the transfer and registration of Registrable Securities by such Holder.

(l) Securities Held by the Company, etc. Whenever the consent or approval of Holders of a specified percentage of Securities is required hereunder, Securities held by the Company or its Affiliates (other than subsequent Holders of Securities if such subsequent Holders are deemed to be Affiliates solely by reason of their holdings of such Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(m) Termination. This Agreement and the obligations of the parties hereunder shall terminate upon the end of the Effective Period, except for any liabilities or obligations existing as of such time under Sections 3(e), 4, 5, 6 and 7 hereof and the obligations to make payments of and provide for Additional Interest under Section 2(d) hereof to the extent such damages accrue prior to the end of the Effective Period, each of which shall remain in effect in accordance with its terms.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to us a counterpart hereof, whereupon this instrument will become a binding agreement between the Company and the Initial Purchaser in accordance with its terms.

Very truly yours,

THE COMPANY
