Verisign Reports Second Quarter 2026 Results

RESTON, VA - July 23, 2026 - VeriSign, Inc. (NASDAQ: VRSN), a global provider of critical internet infrastructure and domain name registry services, today reported financial results for the second quarter of 2026.

VeriSign, Inc. and its subsidiaries ("Verisign") reported revenue of \$435 million for the second quarter of 2026, up 6.0 percent from the same quarter in 2025. Operating income was \$296 million for the second quarter of 2026, compared to \$281 million for the same quarter of 2025. "Last week we extended our record of delivering 100% availability for the .com and .net domain name resolution system to 29 years, an unparalleled record. Today's digital economy is increasingly reliant on this infrastructure, and the continuing strength in new domain name registrations reflects this. We delivered solid financial results in the quarter, returning more than 100% of our free cash flow to the investing public through dividends and share repurchases, which we do consistently. We are also raising our guidance for full-year 2026," said Jim Bidzos, Executive Chairman, President and Chief Executive Officer. "We are also pleased that the .web TLD has been delegated, and we look forward to offering .web domains through our registrar channel later this year."
