VeriSign, Inc. (the "Company") is unable to file its Annual Report on Form 10-K for the year ended December 31, 2006 ("Form 10-K") by the prescribed due date of March 1, 2007. As previously announced, VeriSign has determined that it must restate its historical financial statements for the years 2002-2005 and for the first quarter of 2006 to record additional non-cash, stock-based compensation expense in connection with the review of historical stock option grant practices conducted by an ad hoc group of independent directors. On January 31, 2007, the Company announced that the ad hoc group of independent directors had substantially completed its review of VeriSign's historical stock option grants. The Company has not completed the audit of its restatement as of the date of this disclosure. The Company will not be able to file its Form 10-K until the restatement audit is completed. The Company intends to file the Form 10-K as promptly as practicable after completion of the restatement audit, but does not expect that such filing will be made by March 16, 2007, the extended deadline.
